Article 1. Elected Officials

§1-101 CITY MAYOR; SELECTION AND DUTIES. The Mayor of the Municipality shall have the general and immediate control over all property and officials, whether elected or appointed, of the Municipality. He shall preside at all meetings of the City Council, and may vote when his vote shall be decisive and the Council is equally divided on any pending matter, legislation, or transaction and the Mayor shall, for the purpose of such vote, be deemed to be a member of the Council. His signature must appear on the Municipal Clerk's minutes of all meetings, and he must sign all resolutions which have been passed and warrants for the payment of money when ordered by the City Council; provided, any ordinance vetoed by the Mayor may be passed over his veto by a two-thirds (2/3) vote by the members of the City Council, but if the Mayor neglects or refuses to sign any ordinance, and returns it to the Council with his objections in writing at the next regular Council meeting, the same shall become a law without his signature. He shall, from time to time, communicate to the Council such information and recommendations as, in his opinion, may improve the Municipality. He may require, at reasonable intervals, any Municipal official to exhibit his accounts and make reports to the Council on any subject pertaining to his office. He shall have the power to remit fines or pardon any offense arising under the ordinances of the Municipality. He may remove at any time an appointed police officer of the Municipality. His territorial authority shall extend over all places within five (5) miles of the corporate limits of the Municipality for the enforcement of any health ordinance, and one half (1/2) mile in all matters vested in him except taxation. He shall also have such other duties as the City Council may by resolution confer upon him, or in any other matters which the laws of the State of Nebraska repose in him. He shall be elected at the Municipal Election, and shall serve a four (4) year term of office. Any candidate for Mayor must have resided within the Municipality for forty (40) days prior to filing for said office and must, in addition, be a qualified taxpayer. (Ref. 17-110 thru 17-117 RS Neb.)

§1-102 CITY COUNCIL; ACTING PRESIDENT. The City Council shall elect one (1) of its own body each year who shall be styled the President of the Council, and who shall preside at all meetings of the City Council in the absence of the Mayor. In the absence of the Mayor, and the President of the Council, the City Council shall elect one (1) of its own body to occupy his place temporarily, who shall be styled Acting President of the Council. Both the President of the Council and the Acting President of the Council, when occupying the position of the Mayor, shall have the same privileges as the other members of the City Council, and all acts of the President of the Council, or Acting President of the Council, while so acting, shall be as binding upon the City Council, and upon the Municipality as if done by the elected Mayor. (Ref. 17-148 RS Neb.)
§1-103 CITY COUNCIL; SELECTION AND DUTIES. The members of the City Council shall be elected and serve for a four (4) year term. The City Council shall be the legislative division of the Municipal Government, and shall perform such duties, and have such powers as may be authorized by law. The City Council shall maintain the peace, regulate business, protect the public health and safety, and assess such taxes and fees as are necessary and appropriate in the exercise of these functions. (Ref. 17-103, 17-104 RS Neb.)

§1-104 CITY COUNCIL; ORGANIZATION. City Council members of this Municipality shall take office, and commence their duties on the first regular meeting in December following their election. The newly elected Council members who have qualified as prescribed by law, together with the members of the City Council holding over, shall assemble in a regular meeting at the hour and place hereinafter prescribed and perfect the reorganization of the City Council as herein provided, and all appointive offices in which the terms of incumbents are expired shall be filled by appointment. After the said meeting has been called to order, the Municipal Clerk shall report to the City Council the names of all City Council members-elect who have qualified for their respective offices, and this report shall be spread upon the minutes of the meeting preceding the roll call. Each ward of the Municipality shall be represented by at least two (2) Council members. No person shall be eligible who is not at the time of his election an actual resident of the ward for which he is qualified and should any City Council member move from the ward from which he was elected, his office shall thereby become vacant. (Ref. 17-104, RS Neb.) (Amended by Ord. No. 372, 11/7/78)

§1-105 ELECTED OFFICIALS; VACANCY.

A. Every elective office shall be vacant upon the happening of any of the events specified in Neb. RS 32-560 except as provided in Neb. RS 32-561. (Neb. RS 32-560)

B. In the case of any vacancy in the office of mayor, or in case of his or her disability or absence, the President of the Council shall exercise the office of Mayor for the unexpired term until such vacancy is filled or such disability is removed, or in case of temporary absence, until the Mayor returns. If the President of the Council assumes the office of Mayor for the unexpired term, there shall be a vacancy on the Council. (Neb. RS 32-568(4))

C. 1. Except as otherwise provided in subsection (B)(D), or (E) of this section, vacancies in city elected officials shall be filled by the Mayor and City Council for the balance of the unexpired term. Notice of a vacancy, except a vacancy resulting from the death of the incumbent, shall be in writing and presented to the Council at a regular or special meeting and shall appear as a part of the minutes of such meeting. The Council shall at once give public notice of the vacancy by causing to be published in a newspaper of general circulation within the city or by posting in three public places in the city the office vacated and the length of the unexpired term.
2. The Mayor shall, within four weeks after the meeting at which such notice of vacancy has been presented or upon the death of the incumbent, call a special meeting of the Council or place the issue of filling such vacancy on the agenda at the next regular meeting, at which time the Mayor shall submit the name of a qualified registered voter to fill the vacancy for the balance of the unexpired term. The council shall vote upon such nominee, and if a majority votes in favor of such nominee, the vacancy shall be declared filled. If the nominee fails to receive a majority of the votes, the nomination shall be rejected and the Mayor shall, at the next regular or special meeting, submit the name of another qualified registered voter to fill the vacancy. If the subsequent nominee fails to receive a majority of the votes, the Mayor shall continue to vote upon such nominations until the vacancy is filled. The Mayor shall cast his or her vote for or against the nominee in the case of a tie vote of the Council. All Council members present shall cast a ballot for or against the nominee. Any member of the Council who has been appointed to fill a vacancy on the Council shall have the same rights, including voting, as if such person were elected.

D. The Mayor and Council may, in lieu of filling a vacancy in a city elected office as provided in subsection C of this section, call a special city election to fill such vacancy.

E. If vacancies exist in the offices of a majority of the members of the City Council, the Secretary of State shall conduct a special city election to fill such vacancies. (Neb. RS 32-569) (Amended by Ord. Nos. 467, 2/5/91; 638, 11/4/2003)

§1-106 ELECTED OFFICIALS; MAYOR; VACANCY. Whenever a vacancy occurs in the office of Mayor, or in case of his disability or absence, the President of the Council shall exercise the office of Mayor until such vacancy is filled or such disability is removed, or in case of temporary absence, until the Mayor returns.

When the successful candidate for Mayor shall be prevented from assuming office, the incumbent Mayor shall not be entitled to hold over the term, but such office shall automatically become vacant and the President of the Council shall exercise the office of Mayor until such vacancy is filled.

If the President of the Council shall for any cause assume the office of Mayor for the remainder of the unexpired term, there shall be a vacancy on the Council which shall be filled as provided in Section 1-105. (Ref. 17-107, 17-115 RS Neb.)

§1-107 ELECTED OFFICIALS; QUALIFICATIONS; HOLDING OTHER ELECTIVE OFFICE. Elected officials shall be residents and registered voters of the City. No person shall be precluded from being elected or appointed to or holding an elective office for the reason that he or she has been elected or appointed to or holds another elective office, unless that person is presently serving as a member of the Legislature or in an elective office described in Article IV, section 1, of the Constitution of Nebraska. A Legislator or an Article IV elected office holder may simultaneously serve in another elective office which is filled at an election held in conjunction with the annual meeting.
of a public body. Whenever an incumbent of the Legislature or an Article IV elected office assumes another elective office, except an elective office filled at an election held in conjunction with the annual meeting of a public body, the office first held by the incumbent shall be deemed vacant.

Members of the council shall hold no other employment with the City. Any Council member who ceases to possess any of the qualifications required by this section or who has been convicted of a crime while in office shall forthwith forfeit such office. The Council shall be the judge of the election and qualifications of its members, subject to review by the courts. (Ref 17-108.02, 19-613, 32-563 RS Neb.) (Ord. No.468, 2/5/91)

§1-108 CONFLICT OF INTEREST INVOLVING CONTRACTS.

(A) (1) BUSINESS ASSOCIATION means a business:

(a) In which the individual is a partner, limited liability company member, director, or officer; or

(b) In which the individual or a member of the individual’s immediate family is a stockholder of closed corporation stock worth $1,000 or more at fair market value or which represents more than a 5% equity interest or is a stockholder of publicly traded stock worth $10,000 or more at fair market value or which represents more than 10% equity interest.

An individual who occupies a confidential professional relationship protected by law shall be exempt from this definition. This definition shall not apply to publicly traded stock under a trading account if the filer reports the name and address of the stockbroker. (Neb RS 49-1408)

(2) IMMEDIATE FAMILY means a child residing in an individual’s household, a spouse of an individual, or an individual claimed by that individual or that individual’s spouse as a dependent for federal income tax purposes. (Neb. RS 49-1425)

(3) OFFICER means:

(a) A member of any board or commission of the Municipality which spends and administers its own funds, who is dealing with a contract made by such board or commission; or

(b) Any elected municipal official.

Officer does not mean volunteer firefighters or ambulance drivers with respect to their duties as firefighters or ambulance drivers.

(B) (1) Except as provided in Neb. RS 49-1499.04 or 70-624.04, no officer may have an interest in any contract to which his or her governing body, or anyone for its benefit, is a party. The existence of such an interest in any contract shall render the contract voidable by decree of a court of competent jurisdiction as to any person who entered into the contract or took assignment of such contract with actual knowledge of the prohibited conflict. An action to have a contract declared void under this section may be brought by the county attorney, the governing body, or any resident within the jurisdiction of the governing body and shall be brought within one year after the contract is signed or assigned. The decree may provide for the reimbursement of any
person for the reasonable value of all money, goods, material, labor, or services furnished under the contract, to the extent that the governing body has benefited thereby.

(2) The prohibition in this division (B) shall apply only when the officer or his or her parent, spouse, or child:
   (a) Has a business association with the business involved in the contract; or
   (b) Will receive a direct pecuniary fee or commission as a result of the contract.

(C) Division (B) of this section does not apply if the contract is an agenda item approved at a meeting of the governing body and the interested officer:
   (1) Makes a declaration on the record to the governing body responsible for approving the contract regarding the nature and extent of his or her interest prior to official consideration of the contract;
   (2) Does not vote on the matters of granting the contract, making payments pursuant to the contract, or accepting performance of work under the contract, or similar matters relating to the contract, except that if the number of members of the governing body declaring an interest in the contract would prevent the body with all members present from securing a quorum on the issue, then all members may vote on the matters; and
   (3) Does not act for the governing body which is a party to the contract as to inspection or performance under the contract in which he or she has an interest.

(D) An officer who (1) has no business association with the business involved in the contract or (2) will not receive a direct pecuniary fee or commission as a result of the contract shall not be deemed to have an interest within the meaning of this section.

(E) The receiving of deposits, cashing of checks, and buying and selling of warrants and bonds of indebtedness of any such governing body by a financial institution shall not be considered a contract for purposes of this section. The ownership of less than 5% of the outstanding shares of a corporation shall not constitute an interest within the meaning of this section.

(F) If an officer’s parent, spouse, or child is an employee of the officer’s governing body, the officer may vote on all issues of the contract which are generally applicable to (1) all employees or (2) all employees within a classification and do not single out his or her parent, spouse, or child for special action.

(G) Neb. RS 49-14,102 shall not apply to contracts covered by this section. (Neb. RS 49-14, 103.01)

(H) (1) The person charged with keeping records for the governing body shall maintain separately from other records a ledger containing information listed in subdivisions (a) through (e) of this division (H) (1) about every contract entered into by the governing body in which an officer of the body has an interest and for which disclosure is made pursuant to division (C) of this section.
Such information shall be kept in the ledger for five years from the date of the
officer’s last day in office and shall include the:

(a) Names of the contracting parties;
(b) Nature of the interest of the officer in question;
(c) Date that the contract was approved by the governing body;
(d) Amount of the contract; and
(e) Basic terms of the contract.

2. The information supplied relative to the contract shall be provided
no later than ten days after the contract has been signed by both parties. The
ledger kept pursuant to this division (H) shall be available for public inspection
during the normal working hours of the office in which it is kept. (Neb. RS 49-14,
103.02)

(I) An open account established for the benefit of any governing body with a
business in which an officer has an interest shall be deemed a contract subject to this
section. The statement required to be filed by division (H) of this section shall be filed
within ten days after such account is opened. Thereafter, the person charged with
keeping records for the governing body shall maintain a running account of amounts
purchased on the open account. Purchases made from petty cash or a petty cash fund
shall not be subject to this section. (Neb. RS 49-14, 103.03)

(J) Notwithstanding divisions (A) through (I) of this section, the governing
body may prohibit contracts over a specific dollar amount in which an officer of the
governing body may have an interest. (Neb. RS 49-14, 103.05)

(K) The governing body may exempt from divisions (A) through (I) of this
section, contracts involving $100 or less in which an officer of such body may have an
interest. (Neb. RS 49-14, 103.06)
Article 2. Appointed Officials

§1-201 Appointed Officials; Appointment; Removal. 1. The Mayor, with the consent of the City Council, may appoint such officers as shall be required by ordinance or otherwise required by law. The Mayor, by and with the consent of the City Council, shall appoint such a number of regular police officers as may be necessary. The City Council may establish and provide for the appointment of members of a law enforcement reserve force as provided by law.

2. All police officers and other appointed officials may be removed at any time by the Mayor, except that if the Municipality has a Municipal Water Commissioner, he or she may at any time, for sufficient cause, be removed from office by a two-thirds (2/3) vote of the City Council. (Ref. 17-107, 17-541, 81-1438 RS Neb.) (Amended by Ord. No.567, 1/5/99)

§1-202 Appointed Officials; Merger of Offices. The Governing Body may, at its discretion by ordinance, combine and merge any elective or appointive office or employment or any combination of duties of any such offices or employments, except Mayor and Council member, with any other elective or appointive office or employment so that one or more of such offices or employments or any combination of duties of any such offices or employments may be held by the same officer or employee at the same time. The city manager/administrator in a city under the city manager/administrator plan of government as provided by law may, in his or her discretion, combine and merge any elective or appointive office or employment or any combination of duties of any such offices or employments, except mayor and council member, with any other elective or appointive office or employment so that one or more of such offices or employments may be held by the same officer or employee at the same time. The offices or employments so merged and combined shall always be construed to be separate and the effect of the combination or merger shall be limited to a consolidation of official duties only. The salary or compensation of the officer or employee holding the merged or combined offices or employments or offices and employments shall not be in excess of the maximum amount provided by law for the salary or compensation of the office, offices, employment or employments so merged and combined. For purposes of this section, volunteer firefighters and ambulance drivers shall not be considered officers. (Ref 17-108.02 RS Neb.) (Amended by Ord. No.466. 2/5/91)

§1-203 Appointed Officials; Clerk-Treasurer Position Created. The appointive offices of City Clerk and City Treasurer are hereby combined and merged in accordance with the authority granted to the City Council by section 1-202.

The office so merged and combined shall always be construed to be separate, and the effect of the combination, or merger, shall be limited to a consolidation of official duties only.
The salary of the officer holding the merged offices shall not be in excess of the maximum amount provided by law for the salary of the offices so combined.

§1-204 APPOINTED OFFICIALS; MUNICIPAL CLERK. The Municipal Clerk shall attend the meetings of the Governing Body, and keep a correct journal of the proceedings of that body. He or she shall keep a record of all outstanding bonds against the Municipality and when any bonds are sold, purchased, paid, or canceled, said record shall show the fact. He or she shall make, at the end of the fiscal year, a report of the business of the Municipality transacted through his or her office for the year, and the terms of the sale with each and every item and expense thereof. He or she shall file all official bonds after the same shall have been properly executed and approved. He or she shall make the proper certificate of passage which shall be attached to original copies of all bond ordinances hereafter enacted by the Governing Body.

The Municipal Clerk shall issue and sign all licenses, permits, and occupation tax receipts authorized by law and required by the Municipal ordinances. He or she shall collect all occupation taxes and license money except where some other Municipal officer is specifically charged with that duty. He or she shall keep a register of all licenses granted in the Municipality and the purpose for which they have been issued. The Municipal Clerk shall permit no records, public papers, or other documents of the Municipality kept in his or her office to be taken therefrom, except by such officers of the Municipality as may be entitled to the use of the same, but only upon their leaving a receipt therefore. He or she shall keep all the records of his or her office, including a record of all licenses issued by him or her, in a blank book with a proper index. He or she shall include as part of his or her records all petitions under which the Governing Body shall order public work to be done at the expense of the property fronting thereon, together with references to all resolutions and ordinances relating to the same. He or she shall endorse the date and hour of filing upon every paper or document so filed in his or her office. All such filings made by him or her shall be properly docketed. Included in his or her records shall be all standard codes, amendments thereto, and other documents incorporated by reference and arranged in triplicate in a manner convenient for reference. He or she shall keep an accurate and complete account of the appropriation of the several funds and draw, sign, and attest all warrants ordered for the payment of money on the particular fund from which the same is payable. At the end of each month, he or she shall then make a report of the amounts appropriated to the various funds and the amount of the warrants drawn thereon. Nothing herein shall be construed to prevent any citizen, official or other person from examining any public records at all reasonable times.

The Municipal Clerk shall deliver all warrants, ordinances, and resolutions under his or her charge to the Mayor for his or her signature. He or she shall also deliver to officers, employees, and committees all resolutions and communications which are directed at said officers, employees, or committees. With the seal of the Municipality, he or she shall duly attest the Mayor's signature to all ordinances, deeds, and papers required to be attested to when ordered to do so by the Governing Body.
Within thirty (30) days after any meeting of the Governing Body, the Municipal Clerk shall prepare and publish the official proceedings of the Governing Body in a legal newspaper of general circulation in the Municipality which was duly designated as such by the Governing Body. Said publication shall set forth a statement of the proceedings thereof and shall also include the amount of each claim allowed, the purpose of the claim and the name of the claimant, except that the aggregate amount of all payroll claims may be included as one (1) item. Between July 15 and August 15 of each year, the employee job titles and the current annual, monthly, or hourly salaries corresponding to such job titles shall be published. Each job title published shall be descriptive and indicative of the duties and functions of the position. The charge for such publication shall not exceed the rates provided by the statutes of the State of Nebraska. Said publication shall be charged against the General Fund. He or she shall then keep in a book with a proper index, copies of all notices required to be published or posted by the Municipal Clerk by order of the Governing Body or under the ordinances of the Municipality. To each of the file copies of said notices shall be attached the printer's affidavit of publication, if the said notices are required to be published, or the Municipal Clerk's certificate under seal where the same are required to be posted only.

The Municipal Clerk shall receive all objections to creation of paving districts and other street improvements. He or she shall receive the claims of any person against the Municipality, and in the event that the said claim is disallowed in part or in whole, the Municipal Clerk shall notify such claimant, his or her agent or attorney by letter within five (5) days after such disallowance, and the Municipal Clerk shall then prepare transcripts on appeals of any disallowance of a claim in all proper cases.

The Municipal Clerk may charge a reasonable fee for certified copies of any record in his or her office as set by resolution of the Governing Body. He or she shall destroy Municipal records under the direction of the State Records Board pursuant to sections 84-1201 through 84-1220; provided, the Governing Body shall not have the authority to destroy the minutes of the Municipal Clerk, the permanent ordinances and resolution books, or any other records classified as permanent by the State Records Board. (Ref 17-605, 19-1102, 19-1104, 84-1201 through 84-1220, 84-712 RS Neb.) (Amended by Ord. No.493. 9/7/93)

§1-205 APPOINTED OFFICIALS; CITY TREASURER.

(A) The City Treasurer shall be the custodian of all money belonging to the City. He or she shall keep a separate account of each fund or appropriation and debts and credits belonging thereto. He or she shall give every person paying money into the treasury a receipt therefore, specifying the date of payment and on what account paid. He or she shall also file copies of such receipts with his or her monthly reports. The City Treasurer shall, at the end of every month, and as often as may be required, render an account to the City Council, under oath, showing the state of the treasury at the date of such account and the balance of money in the treasury. He or she shall also accompany such accounts with a statement of all receipts and disbursements, together
with all warrants redeemed and paid by him or her, which warrants, with any and all
vouchers held by him or her, shall be filed with his or her account in the City Clerk’s
office. If the City Treasurer neglects or fails, for the space of ten days from the end of
each month, to render his or her account, the office shall be declared vacant, and the
City Council shall fill the vacancy by appointment until the next election for municipal
officers. (Neb. RS 77-2201)

(B)  (1)  All warrants upon the City Treasurer shall be paid in the order of
their presentation therefore and as otherwise provided in Neb. RS 77-2201
through 77-2215.  (Neb. RS 77-2201)

(2)  The City Treasurer shall keep a warrant register in the form
required by Neb. RS 77-2202.

(3)  The City Treasurer shall make duplicate receipts for all sums which
shall be paid into his or her office, which receipts shall show the source from
which such funds are derived, and shall, by distinct lines and columns, show the
amount received to the credit of each separate fund, and whether the same was
paid in cash, in warrants, or otherwise. The Treasurer shall deliver one of the
duplicates to the person making the payment and retain the other in his or her
office.  (Neb. RS 77-2209)

(4)  The City Treasurer shall daily, as money is received, foot the
several columns of the cash book and of the register, and carry the amounts
forward, and at the close of each year, in case the amount of money received by
the Treasurer is insufficient to pay the warrants registered, he or she shall close
the account for that year in the register and shall carry forward the excess.  (Neb.
RS 77-2210)

(C)  (1)  The City Treasurer shall prepare and publish annually within 60
days following the close of the municipal fiscal year a statement of the receipts
and expenditures by funds of the City for the preceding fiscal year.  (Neb. RS 19-
1101)

(2)  Publication shall be made in one legal newspaper of general
circulation in the City. If no legal newspaper is published in the City, then such
publication shall be made in one legal newspaper published or of general
circulation within the county in which the City is located.  (Neb. RS 19-1103)

(D)  The City Treasurer shall keep all money belonging to the City separate
and distinct from his or her own money. He or she shall invest and collect all money
owned by or owed to the City as directed by the City Council. He or she shall maintain
depository evidence that all municipal money is, in the name of the City, in a solvent
and going financial institution of a type authorized by state law for deposit of
municipal funds. He or she shall cancel all bonds, coupons, warrants, and other
evidences of debt against the City, whenever paid by him or her, by writing or
stamping on the face thereof, “Paid by the City Treasurer,” with the date of payment
written or stamped thereon. He or she shall collect all special taxes, allocate special
assessments to the several owners, and obtain from the County Treasurer a monthly
report as to the collection of delinquent taxes.
§1-206 APPOINTED OFFICIALS; TREASURER'S MONTHLY REPORT. The Municipal Treasurer shall, at the end of each and every month and such other times as the Governing Body may deem necessary, render an account to the Governing Body under oath showing the financial state of the Municipality at that date, the amount of money remaining in each fund and the amount paid therefore, and the balance of money remaining in the treasury. He shall accompany the said account with a statement of all receipts and disbursements, together with all warrants redeemed and paid by him. He shall also produce depository evidence that all Municipal money is in a solvent and going bank in the name of the Municipality. If the Municipal Treasurer shall neglect or fail for the space of ten (10) days from the end of each and every month to render his accounts as aforesaid, the Governing Body shall, by resolution, declare the office vacant and appoint some person to fill the vacancy. The Municipal Treasurer shall be present at each regular meeting of the Governing Body, at which time he shall read and file his monthly report. (Ref 17-606 RS Neb.)

§1-207 APPOINTED OFFICIALS; TREASURER'S ANNUAL REPORT. The Municipal Treasurer shall publish in a legal newspaper having general circulation within the Municipality, within sixty (60) days following the first (1st) day of August of each year, a report of the activities of his office which said report shall show in detail. Said report shall include all receipts, disbursements, warrants outstanding, and the debit or credit balance of the Municipality. (Ref. 19-1101 RS Neb.)

§1-208 APPOINTED OFFICIALS; MUNICIPAL ATTORNEY. The Municipal Attorney is the Municipality's legal advisor and as such, he shall commence, prosecute, and defend all suits on behalf of the Municipality. When requested by the Governing Body, he shall attend meetings of the Governing Body, and shall advise any Municipal official in all matters of law in which the interests of the Municipality may be involved. He shall draft such ordinances, bonds, contracts, and other writings as may be required in the administration of the affairs of the Municipality. He shall examine all bonds, contracts, and documents on which the Governing Body will be required to act and attach thereto a brief statement in writing to all such instruments and documents as to whether or not the document is in legal and proper form. He shall prepare complaints, attend, and prosecute violations of the Municipal ordinances when directed to do so by the Governing Body. §1-504 MEETINGS; CLOSED SESSIONS.

(A)  (1) Any public body may hold a closed session by the affirmative vote of a majority of its voting members if a closed session is clearly necessary for the protection of the public interest or for the prevention of needless injury to the reputation of an individual and if such individual has not requested a public meeting. Closed sessions may be held for, but shall not be limited to, such reasons as:

(B) The vote to hold a closed session shall be taken in open session. The vote of each member on the question of holding a closed session, the reason for the closed session, and the time when the closed session commenced and concluded shall be recorded in the minutes. The public body holding such a closed session shall restrict its consideration to matters during the closed portions to only those purposes set forth in the minutes as the reason for the closed session. The meeting shall be reconvened in open session before any formal action may be taken. For purposes of this section, formal action means a collective decision or a collective commitment or promise to make a decision on any question, motion, proposal, resolution, order or ordinance or formation of a position or policy but shall not include negotiating guidance given by members of the public body to legal counsel or other negotiators in closed sessions authorized under division (A)(1)(a) of this section.

(C) Any member of any public body shall have the right to challenge the continuation of a closed session if the member determines that the session has exceeded the reason stated in the original motion to hold a closed session or if the member contends that the closed session is neither clearly necessary for (1) the protection of the public interest or (2) the prevention of needless injury to the reputation of an individual. Such challenge shall be overruled only by a majority vote of the members of the public body. Such challenge and its disposition shall be recorded in the minutes.
(D) Nothing in this section shall be construed to require that any meeting be closed to the public. *(Ref. 84-410 RS Neb.)*

§1-505 MEETINGS; PROHIBITED ACTS; EXEMPT EVENTS.

(A) No person or public body shall fail to invite a portion of its members to a meeting, and no public body shall designate itself a subcommittee of the whole body for the purpose of circumventing this article or the Open Meetings Act. No closed session, informal meeting, chance meeting, social gathering, email, fax, or electronic communication shall be used for the purpose of circumventing the requirements of this article or the act.

(B) This article does not apply to chance meetings or to attendance at or travel to conventions or workshops of members of a public body at which there is no meeting of the body then intentionally convened, if there is no vote or other action taken regarding any matter over which the public body has supervision, control, jurisdiction, or advisory power. *(Neb. (B) It shall not be a violation of this section for any public body to make and enforce reasonable rules and regulations regarding the conduct of persons attending, speaking at, videotaping, televising, photographing, broadcasting, or recording its
meetings. A body may not be required to allow citizens to speak at each meeting, but it may not forbid public participation at all meetings.

(C) No public body shall require members of the public to identify themselves as a condition for admission to the meeting. The body may require any member of the public desiring to address the body to identify himself or herself.

(D) No public body shall, for the purpose of circumventing the provisions of this subchapter, hold a meeting in a place known by the body to be too small to accommodate the anticipated audience.

(E) No public body shall be deemed in violation of this section if it holds its meeting in its traditional meeting place which is located in this state.

(F) No public body shall be deemed in violation of this section if it holds a meeting outside of this state if, but only if, a member entity of the public body is located outside of this state and the other requirements of Neb. RS 84-1412 are met.

When any question is under debate, no motion shall be made, entertained, or seconded except the previous question, a motion to table, and to adjourn. Each of the said motions shall be decided without debate. Any of the rules of the Governing Body for meetings may be suspended by a two-thirds (2/3) vote of the members present. If the Clerk finds incorrect signatures, he or she shall promptly notify the person filing the petition that the petition may be cured at any time within ten (10) days after the giving of such notice by the filing of a supplementary petition with the corrected signatures on additional petition papers issued and filed as provided for the original petition. No new signatures may be added after the initial filing of the petition, and no signatures may be removed unless the Clerk receives an affidavit signed by the person requesting his or her signature be removed. The Clerk shall, within five (5) days after any correction, examine the corrected petition and attach a certificate, as in the case of the original petition. If the certificate shows the corrected petition to be
insufficient or if no correction was made, the Clerk shall file the petition in his or her office without prejudice to the filing of a new petition for the same purpose.

If the petition or corrected petition is found to be sufficient, the Clerk shall attach to the petition a certificate showing the result of such examination and shall notify the officer whose removal is sought. If the officer does not resign within five (5) days after the notice, the Clerk shall submit, within ten (10) days after the five (5) day period has elapsed, the original petition and supplement, together with his or her certificates, to the Governing Body. Upon receipt of such petition and certificate, the Governing Body shall order an election to be held not less than thirty (30) nor more than forty-five (45) days after the five (5) day period; except that if any other election is to be held in that district within ninety (90) days of the five (5) day period, the Governing Body may provide for the holding of the removal election on the same day.

RS 18-412.01 for a contract with a public power district to operate, renew, replace, or add to the electric distribution, transmission, or generation system of the city, no contract for enlargement or general improvements, such as water extensions, sewers, public heating system, bridges, work on streets, or any other work or improvement when the cost of the enlargement or improvement is assessed to the property, costing over $20,000, shall be made unless it is first approved by the City Council.

(B) Except as provided in Neb. RS 18-412.01, before the City Council makes any contract in excess of $20,000 for enlargement or general improvements, such as water extensions, sewers, public heating system, bridges, work on streets, or any other work or improvement when the cost of the enlargement or improvement is assessed to the property, an estimate of the cost shall be made by the City Engineer and submitted to the City Council. In advertising for bids as provided in divisions (C) and (E) of this section, the City Council may publish the amount of the estimate.

(C) Advertisements for bids shall be required for any contract costing over $20,000 entered into:

(1) For enlargement or general improvements, such as water extensions, sewers, public heating system, bridges, work on streets, or any other work or improvement when the cost of the enlargement or improvement is assessed to the property; or

(2) For the purchase of equipment used in the construction of the enlargement or general improvements.
(D) A municipal electric utility may enter into a contract for the enlargement or improvement of the electric system or for the purchase of equipment used for the enlargement or improvement without advertising for bids if the price is:

1. $20,000 or less;
2. $40,000 or less and the municipal electric utility has gross annual revenue from retail sales in excess of $1,000,000;
3. $60,000 or less and the municipal electric utility has gross annual revenue from retail sales in excess of $5,000,000; or

In case of a public emergency resulting from infectious or contagious diseases, destructive windstorms, floods, snow, war, or an exigency or pressing necessity or unforeseen need calling for immediate action or remedy to prevent a serious loss of or serious injury or damage to life, health, or property, estimates of costs and advertising for bids may be waived in the emergency ordinance authorized by Neb. RS 17-613 when adopted by a ¾ vote of the City Council and entered of record.

(F) If, after advertising for bids as provided in this section, the City council receives fewer than 2 bids on a contract or if the bids received by the City Council contain a price which exceeds the estimated cost, the City council may negotiate a contract in an attempt to complete the proposed enlargement or general improvements at a cost commensurate with the estimate given.

(G) If the materials are of such a nature that, in the opinion of the manufacturer and with the concurrence of the City Council, no cost can be estimated until the materials have been manufactured or assembled to the specific qualifications of the purchasing municipality, the City Council may authorize the manufacture and assemblage of those materials and may thereafter approve the estimated cost expenditure when it is provided by the manufacturer. (Neb. RS 17-568.01)

(H) Any municipal bidding procedure may be waived by the City council:
1. When materials or equipment are purchased at the same price and from the same seller as materials or equipment which have formerly been obtained pursuant to the state bidding procedure in Neb. RS 81-162; or

§1-810 FISCAL MANAGEMENT; ANNUAL AUDIT; FINANCIAL STATEMENTS.

The Governing Body shall cause an audit of the Municipal accounts to be made by a qualified accountant as expeditiously as possible following the close of the fiscal year. Such audit shall be made on a cash or accrual method at the discretion of the Governing Body. The said audit shall be completed and the annual audit report made not later than six (6) months after the close of the fiscal year. The accountant making the audit shall submit not less than three (3) copies of the audit report to the Governing Body. All public utilities or other enterprises which substantially generate their own revenue shall be audited separately, except in villages having a population of less than eight hundred (800); and the results of such audits shall appear separately in the annual audit report, and such audits shall be on an accrual basis and shall contain statements and materials which conform to generally accepted accounting principles. The audit report shall set forth the financial position and results of financial operations for each fund or group of accounts of the Municipality, as well as an opinion by the accountant with respect to the financial statements. Two (2) copies of the annual audit report shall be filed with the Municipal Clerk, and shall become a part of the public records of the Municipal Clerk's office, and will at all times thereafter be open for public inspection. One (1) copy shall be filed with the Auditor of Public Accounts; provided, that all villages may file an unedited statement of cash receipts and disbursements annually in lieu of an annual audit. Such unedited statement shall be filed with the Auditor of Public Accounts in a form prescribed by him. The unedited statement of cash receipts and disbursements shall become a part of the public records of the Municipal Clerk and shall at all times thereafter be open and subject to public inspection. Every Governing Body that is required herein to submit to an audit of its accounts shall provide and file with the Municipal Clerk, not later than August 1 of each year, financial statements showing its actual and budgeted figures for the most recently completed fiscal year. *(Ref. 19-2901 through 19-2909, 23-934 RS Neb.)*

§1-811 FISCAL MANAGEMENT; CLAIMS. All claims against the Municipality shall be presented to the Governing Body in writing with a full account of the items, and no claim or demand shall be audited or allowed unless presented as provided for in this Section. No costs shall be recovered against the Municipality in any action brought against it for an unliquidated claim which has not been presented to the Governing Body to be audited, nor upon claims allowed in part unless the recovery shall be for a
greater sum than the amount allowed with the interest due. No order or warrant shall be drawn in excess of eighty-five (85%) per cent of the current levy for the purpose for which it is drawn unless there shall be sufficient money in the Municipal Treasury for the appropriate fund against which it is to be drawn; provided that in the event there exists obligated funds from the Federal and/or State government for the general purpose of such warrant, then such warrant may be drawn in excess of eighty-five (85%) per cent, but not more than one hundred (100%) per cent of the current levy for the purpose for which said warrant is drawn. (Ref. 17-714, 17-715 RS Neb.)

§1-812 FISCAL MANAGEMENT; WARRANTS. All warrants drawn upon the Municipal Treasury must be signed by the Mayor and countersigned by the Municipal Clerk; stating the particular fund to which the warrant is chargeable, the person to whom it is payable, and the purpose of the expenditure. No money shall be otherwise paid than upon warrants so drawn. Each warrant shall specify the amount included in the adopted budget statement for the fund upon which it is drawn and the amount already expended of such fund. (Ref. 17-711 RS Neb.)

§1-813 FISCAL MANAGEMENT; TRANSFER OF FUNDS. The Governing Body may, whenever during the current fiscal year it becomes apparent due to unforeseen emergencies that there is temporarily insufficient money in a particular fund to meet the requirements of the adopted budget of expenditures for that fund, by a majority vote, transfer money from other funds to such fund. No expenditure during any fiscal year shall be made in excess of the amounts indicated in the adopted budget statement except as authorized herein. If, as the result of unforeseen circumstances, the revenue of the current fiscal year shall be insufficient, the Governing Body may propose to supplement the previously adopted budget statement and shall conduct a public hearing at which time any taxpayer may appear or file a written statement protesting the application for additional money. A written record shall be kept of all such hearings. Notice of a place and time for the said hearing shall be published at least five (5) days prior to the date set for the hearing in a newspaper of general circulation in the Municipality. The published notice shall set forth the time and place of the proposed hearing, the amount of additional money required, the purpose of the required money, a statement setting forth the reasons why the adopted budget of expenditures cannot be reduced to meet the need for additional money, and a copy of the summary of the originally adopted budget previously published. Upon the conclusion of the public hearing on the proposed supplemental budget and the approval by the Governing Body, the Governing Body shall file with the County Clerk and the Nebraska State Auditor a copy of the supplemental budget and shall certify the amount of additional tax to be levied. The Governing Body may then issue warrants in payment for expenditures authorized by the adopted supplemental budget. The said warrants shall be referred to as "registered warrants," and shall be repaid during the next fiscal year from funds derived from taxes levied therefore. (Ref. 23-928, 23-929 RS Neb.)
§1-814 FISCAL MANAGEMENT; SPECIAL ASSESSMENT FUND. All money received on special tax assessments shall be held by the Municipal Treasurer as a special fund to be applied to the payment of the improvement for which the assessment was made, and such money shall be used for no other purpose unless to reimburse the Municipality for money expended for any such improvement. (Ref. 17-710 RS Neb.)

§1-815 FISCAL MANAGEMENT; SINKING FUNDS. The Governing Body, subject to the limitations set forth herein, shall have the power to levy a tax not to exceed that prescribed by State law upon the assessed value of all taxable property within the Municipality for a term not to exceed that prescribed by State law, in addition to the amount of tax which may be annually levied for the purposes of the adopted budget statement of the Municipality, for the purpose of establishing a sinking fund for the construction, purchase, improvement, extension, or repair of the approved uses as authorized by State law. To initiate the said sinking fund, the Governing Body shall declare its purpose by resolution to submit to the qualified electors of the Municipality the proposition to provide the improvement at the next general Municipal election. The resolution shall set forth the improvement, the estimated cost, the amount of the annual levy, the number of years required to provide the required revenue, the name of the sinking fund proposed, and the proposition as it will appear on the ballot. Notice of the said proposition shall be published in its entirety three (3) times on successive weeks before the day of the election in a legal newspaper of general circulation in the Municipality. The sinking fund may be established after the election if a majority or more of the legal votes were in favor of the establishment of the fund. The Governing Body may then proceed to establish the said fund in conformity with the provisions of the proposition and applicable State law. The funds received by the Municipal Treasurer shall, as they accumulate, be immediately invested with the written approval of the Governing Body in the manner provided by State law. No sinking fund so established shall be used for any purpose or purposes contrary to the purpose as it appeared on the ballot unless the Governing Body is authorized to do so by sixty (60%) per cent of the qualified electors of the Municipality voting at a general election favoring such a change in the use of the sinking fund. (Ref. 19-1301 through 19-1304, 77-2337, 77-2339 RS Neb.)

§1-817 FISCAL MANAGEMENT; DEPOSIT OF FUNDS. A. The City Council, at its first meeting in each fiscal year, shall designate some one or more banks, capital stock financial institutions, or qualifying mutual financial institutions of approved and responsible standing in which the City Treasurer shall keep at all times, subject to payment of his or her demand, all money held by him or her as City Treasurer. If there is one or more banks, capital stock financial
institutions, or qualifying mutual financial institutions located in the City which apply for the privilege of keeping such money and give bond or give security for the repayment of deposits as provided in this section, such banks, capital stock financial institutions, or qualifying mutual financial institutions shall be selected as such depositories. The City Treasurer shall not give a preference to any one or more of them in the money he or she may so deposit.

B. The City Council shall require from all banks, capital stock financial institutions, or qualifying mutual financial institutions (1) a bond in such penal sum as may be the maximum amount on deposit at any time less the amount insured by the Federal Deposit Insurance Corporation or, in lieu thereof, (2) security given as provided in the Public Funds Deposit Security Act to secure the payment of all such deposits and accretions. The City Council shall approve such bond or giving of security. The City Treasurer shall not be liable for any loss of any money sustained by reason of the failure of any such depository so designated and approved. The fact that a stockholder, director, or other officer of such bank, capital stock financial institution, or qualifying mutual financial institution is also serving as Mayor, as a member of the City Council, or as any other officer of the City shall not disqualify such bank, capital stock financial institution, or qualifying mutual financial institution from acting as a depository for such municipal funds. (Neb. RS 17-607)

C. The insurance afforded to depositors in banks, capital stock financial institutions, or qualifying mutual financial institutions through the Federal Deposit Insurance Corporation shall be deemed and construed to be a surety bond to the extent that the deposits are insured by such corporation, and for deposits so insured, no other surety bond or other security shall be required. Neb. RS 77-2366 shall apply to deposits in capital stock financial institutions. Neb. RS 77-2365.01 shall apply to deposits in qualifying mutual financial institutions. (Neb. RS 77-2362)

D. It shall not be necessary for the City, in making such a deposit of public funds, to purchase shares in such credit association or become a member thereof, and such a cooperative credit association is hereby authorized and empowered to receive such money under such conditions. (Neb. RS 21-11316.01)(Amended by Ord. No.637, 11/4/2003)

§1-818 FISCAL MANAGEMENT; INVESTMENT OF FUNDS. The Governing Body may, by resolution, direct and authorize the Municipal Treasurer to invest surplus funds in the outstanding bonds or registered warrants of the Municipality and other approved bonds and obligations as provided by law. The interest on such bonds or
warrants shall be credited to the fund out of which the said bonds or warrants were purchased. (Ref. 17-608, 17-609, 21-1316.01, 77-2341 RS Neb.)

§1-819 FISCAL MANAGEMENT; BOND ISSUES. The Governing Body may, after meeting all the requirements of State law, issue bonds, fund bonds, and retire bonds for such purposes as may be permitted by State law. The Governing Body shall have the authority to levy special assessments for the payment of interest and principal on such bonds, and may spread the payments up to the maximum number of years permitted by State law. (Ref. 10-201 through 10-411, 10-601 through 10-614, 12-1001, 17-529.01, 17-529.08, 17-534, 17-905, 17-908, 17-911, 17-939, 17-958, 17-968, 18-1801 through 18-1805, 23-343.13, 39-836 RS Neb.)

§1-820 FISCAL MANAGEMENT; COLLECTION OF SPECIAL ASSESSMENTS; PROCEDURE. (1) The Municipality shall collect the special assessments which it levies and perform all other necessary functions related thereto including foreclosure. Notice that special assessments are due shall be mailed or otherwise delivered to the last known address of the person against whom such special assessments are assessed or to the lending institution or other party responsible for paying such special assessments. Failure to receive such notice shall not relieve the taxpayer from any liability to pay such special assessments and any interest or penalties accrued thereon.

(2) The Municipality shall:
(a) File notice of the assessments and the amount of assessment being levied for each lot or tract of land to the Register of Deeds; and
(b) File a release of assessment upon final payment of each assessment with the Register of Deeds. (Ref. 18-1216 RS Neb.) (Ord. No.575, 2/2/99)

§1-821 FISCAL MANAGEMENT; PROPERTY TAX LEVY; AUTHORITY TO SET.

RS 77-1601 unless the City Council passes by a majority vote a resolution or ordinance setting the tax request at a different amount. Such resolution or ordinance shall only be passed after a special public hearing called for such purpose is held and after notice is published in a newspaper of general circulation in the area of the Municipality at least five days prior to the hearing.

(B) The hearing notice shall contain the following information:
(1) The dollar amount of the prior year’s tax request and the property tax rate that was necessary to fund that tax request;
(2) The property tax rate that would be necessary to fund last year’s tax request if applied to the current year’s valuation; and
(3) The proposed dollar amount of the tax request for the current year and the property tax rate that will be necessary to fund that tax request.

(C) Any resolution setting a tax request under this section shall be certified and forwarded to the County Clerk prior to October 14 of the year for which the tax request is to apply.
(D) Any tax levy which is not in compliance with this section and Neb. RS 77-1601 shall be construed as an unauthorized levy under Neb. RS 77-1606.

(Neb. RS 77-1601.02)(Amended by Ord. No. 610)

Deposits may be made in excess of the amounts so secured by the corporation, and the amount of the excess deposit shall be secured by a bond or by security given in the same manner as is provided for cities of the first class in Neb. (Amended by Ord. No. 728; 01/04/2016)
Article 10. Initiative and Referendum

§1-1001 INITIATIVE AND REFERENDUM; DEFINITIONS. The powers of initiative and referendum are reserved to the qualified electors of the Municipality by state law. This Article shall govern the use of initiative to enact, and the use of referendum to amend or repeal measures affecting the governance of the Municipality. For purposes of this Article, the definitions set out in this section, unless the context otherwise requires, shall apply.

CIRCULATOR shall mean any person who solicits signatures for an initiative or referendum petition.

CLERK shall mean the Municipal Clerk or the Municipal Official in charge of elections.

GOVERNING BODY shall mean the legislative authority of the Municipality.

MEASURE shall mean an ordinance, charter provision, or resolution which is within the legislative authority of the Governing Body to pass, and which is not excluded from the operation of referendum by the exceptions in Section 1-1012.

MUNICIPALITY shall mean the City of Lyons, Nebraska.

PETITION shall mean a document authorized for circulation pursuant to Section 1-1002 or any copy of such document.

PLACE OF RESIDENCE shall mean the street and number of the residence. If there is no street and number for the residence, place of residence shall mean the mailing address.

PROSPECTIVE PETITION shall mean a sample document containing the information necessary for a completed petition, including a sample signature sheet which has not yet been authorized for circulation.

QUALIFIED ELECTORS shall mean all persons registered to vote at the time the prospective petition is filed, in the jurisdiction governed or to be governed by any measure sought to be enacted by initiative, or altered or repealed by referendum.

RESIDENCE shall mean that place at which a person has established his or her home, where he or she is habitually present, and to which, when he or she departs, he or she intends to return.

SIGNATURE SHEET shall mean a sheet of paper which is part of a petition and which is signed by persons wishing to support the petition effort. (Ref. 18-2501 thru 18-2511 RS Neb.)

§1-1002 INITIATIVE AND REFERENDUM; PETITIONS, BALLOTS. Before circulating an initiative or referendum petition, the petitioner shall file with the Clerk a prospective petition. The Clerk shall date the prospective petition immediately upon its receipt. The Clerk shall verify that the prospective petition is in proper form and shall provide a ballot title for the initiative or referendum proposal, as described below. If the prospective petition is in proper form, the Clerk shall authorize the circulation of the petition and such authorization shall be given within three (3) working days from the date the prospective petition was filed. If the form of the prospective petition is incorrect, the Clerk shall, within three (3) working days from the date the prospective
petition was filed, inform the petitioner of necessary changes and request that those changes be made. When the requested changes have been made and the revised prospective petition has been submitted to the Clerk in proper form, the Clerk shall authorize the circulation of the petition and such authorization shall be given within two (2) working days from the receipt of the properly revised petition. Verification by the Clerk that the prospective petition is in proper form does not constitute an admission by the Clerk, Governing Body, or Municipality that the measure is subject to referendum, or limited referendum, or that the measure may be enacted by initiative.

The ballot title of any measure to be initiated or referred shall consist of:

1. A briefly-worded caption by which the measure is commonly known or which accurately summarizes the measure;
2. A briefly-worded question which plainly states the purpose of the measure, and is phrased so that an affirmative response to the question corresponds to an affirmative vote on the measure; and
3. A concise and impartial statement, of not more than seventy-five (75) words, of the chief purpose of the measure.

The ballots used when voting on an initiative or referendum proposal shall contain the entire ballot title. Proposals for initiative and referendum shall be submitted on separate ballots and the ballots shall be printed in lower case ten point type, except that the caption shall be in bold face type. All initiative and referendum measures shall be submitted in a nonpartisan manner without indicating or suggesting on the ballot that they have or have not been approved or endorsed by any political party or organization. (Ref. 18-2512, 18-2513 RS Neb.)

§1-1003 INITIATIVE AND REFERENDUM; PETITIONS; FORM; DECLARATORY JUDGMENTS. The Secretary of State shall design the form to be used for initiative and referendum petitions, including signature sheets. These forms shall be made available to the public by the Clerk, and they shall serve as a guide for individuals preparing prospective petitions. Substantial compliance with initiative and referendum forms is required before authorization to circulate such petition shall be granted by the Clerk pursuant to Section 1-1002. Chief petitioners or circulators preparing prospective petitions shall be responsible for making copies of the petition for circulation, once authorization for circulation has been granted, and each petition presented for signature must be identical to the petition authorized for circulation by the Clerk pursuant to Section 1-1002.

The Municipality or any chief petitioner may seek a declaratory judgment regarding any questions arising under this Article, as it may be from time to time amended, including but not limited to, determining whether a measure is subject to referendum or limited referendum or whether a measure may be enacted by initiative. If a chief petitioner seeks a declaratory judgment, the Municipality shall be served by personal, residence, or certified mail service upon the chief executive officer or Clerk. If the Municipality seeks a declaratory judgment, only the chief petitioner or chief petitioners shall be required to be served. Any action brought for declaratory judgment
for purposes of determining whether a measure is subject to limited referendum or referendum, or whether a measure may be enacted by initiative, may be filed in the district court at any time after the filing of a referendum or initiative petition with the Municipal Clerk for signature verification until forty (40) days from the date the Governing Body received notification pursuant to Section 1-1006. If the Municipality does not bring an action for declaratory judgment to determine whether the measure is subject to limited referendum or referendum, or whether the measure may be enacted by initiative until after it has received notification pursuant to Section 1-1006, it shall be required to proceed with the initiative or referendum election in accordance with the provisions of this Article. If the Municipality does file such an action prior to receiving notification pursuant to Section 1-1006, it shall not be required to proceed to hold such election until a final decision has been rendered in the action. Any action for a declaratory judgment shall be governed generally by Sections 25-21,149 to 25-21,164 RS Neb., except that only the Municipality and each chief petitioner shall be required to be made parties. The Municipality, Clerk, Governing Body, or any of the Municipality’s officers shall be entitled to rely on any order rendered by the court in any such proceeding. Any action brought for declaratory judgment pursuant to this section shall be given priority in scheduling, hearings, and in disposition as determined by the court when an action is brought to determine whether the measure is subject to limited referendum or referendum, or whether a measure may be enacted by initiative, a decision shall be rendered by the court no later than five (5) days prior to the election. The provisions of this section relating to declaratory judgments shall not be construed as limiting, but construed as supplemental and additional to other rights and remedies conferred by law.

Every petition shall contain the name and place of residence of not more than three (3) persons as chief petitioners or sponsors of the measure. The chief petitioners or sponsors shall be qualified electors of the Municipality potentially affected by the initiative or referendum proposal. Every petition shall contain the caption and ballot title required in Section 1-1002, and only qualified electors shall circulate petitions. When a special election is being requested, such fact shall be stated on every petition. (Ref. 25-510.02, 25-2514, 25-515 RS Neb.)

§1-1004 INITIATIVE AND REFERENDUM; SIGNATURE SHEETS. Every signature sheet shall:

1. Contain the caption required in subsection A of Section 1-1002 of this Article;
2. Be part of a complete and authorized petition when presented to potential signatories;
3. Provide space for signatories to write their names, places of residence, and the date of signing; and
4. Contain a statement that anyone falsifying information on a signature sheet shall be subject to penalties provided by law.

No more than twenty-five (25) signatures on each signature sheet shall be counted. In order to be valid, a signature shall be that of an individual registered to
vote, at the time of signing, in the jurisdiction governed or to be governed by the measure addressed in the petition. A signature shall include the signatory's full name, his or her place of residence, and the date of signing. No signatory shall use ditto marks as a means of affixing his or her place of residence or date on any petition. A wife shall not use her husband's Christian or given name when she signs a petition and she shall sign her own Christian or given name along with her surname. (Ref. 18-2516 RS Neb.)

§1-1005 INITIATIVE REFERENDUM; PETITIONS, AFFIDAVIT. Included in the contents of every petition shall be an affidavit, to be signed by the circulator in the presence of a notary, which states that the circulator is a qualified elector, that each person who signed the petition did so in the presence of the circulator on the date indicated, and that the circulator believes that each signatory was registered to vote in the affected jurisdiction at the time he or she signed the petition and that the circulator believes that each signatory has stated his or her name and place of residence correctly. (Ref. 18-2517 RS Neb.)

§1-1006 INITIATIVE AND REFERENDUM; PETITIONS, NOTIFICATION. A. Signed petitions shall be filed with the Clerk for signature verification. Upon the filing of a petition, and passage of a resolution by the Governing Body, the Municipality and the County Clerk or Election Commissioner of the County in which such Municipality is located may, by mutual agreement, provide that the County Clerk or Election Commissioner shall ascertain whether the petition is signed by the requisite number of voters. The Municipality shall reimburse the County for any costs incurred by the County Clerk or Election Commissioner. When the verifying official has determined that one hundred (100%) per cent of the necessary signatures required by this Article have been obtained, he or she shall notify the Governing Body of that fact, and shall immediately forward to the Governing Body a copy of the petition. B. In order for an initiative or referendum proposal to be submitted to the Governing Body and the voters, the necessary signatures shall be on file with the Clerk within six (6) months from the date the prospective petition was authorized for circulation. If the necessary signatures are not obtained by such date, the petition shall be void. (Ref. 18-2518 RS Neb.)

§1-1007 INITIATIVE AND REFERENDUM; FREQUENCY OF OCCURRENCE. The same measure; either in form or in essential substance, may not be submitted to the people by initiative petition, either affirmatively or negatively, more often than once every two (2) years. No attempt to repeal or alter an existing measure or portion of such measure by referendum petition may be made within two (2) years from the last attempt to do the same. Such prohibition shall apply only when the subsequent attempt to repeal or alter is designed to accomplish the same, or essentially the same purpose as the previous attempt. (Ref. 18-2519 RS Neb.)
§1-1008 INITIATIVE AND REFERENDUM; DIRECT VOTE. The Executive Officer and Governing Body of the Municipality may at any time, by resolution, provide for the submission to a direct vote of the electors of any measure pending before it, passed by it, including an override of any veto, if necessary, or enacted by the electors under this Article and may provide in such resolution that such measure shall be submitted at a special election or the next regularly scheduled primary or general election. Immediately upon the passage of any such resolution for submission, the Clerk shall cause such measure to be submitted to a direct vote of the electors, at the time specified in such resolution and in the manner provided in this Article for submission of measures upon proposals and petitions filed by voters. Such matter shall become law if approved by a majority of the votes cast. (Ref. 18-2520 RS Neb.)

§1-1009 INITIATIVE AND REFERENDUM; ELECTIONS. The Clerk shall call elections under this Article, either at a special election or regularly scheduled primary or general election. He or she shall cause notice of every such election to be printed in one (1) or more newspapers of general circulation in such Municipality at least once, not less than thirty (30) days prior to such election, and also posted in the office of the Clerk, and in at least three (3) conspicuous places in such Municipality at least thirty (30) days prior to such election. The notice shall be substantially as follows:

Clerk of the City of Lyons, Nebraska.

The Clerk shall make available for photocopying a copy in pamphlet form of measures initiated or referred. Such notice provided in this section shall designate where such a copy in pamphlet form may be obtained. (Ref. 18-2521 RS Neb.)

§1-1010 INITIATIVE AND REFERENDUM; BALLOTS. All ballots for use in special elections under this Article shall be prepared by the Clerk and furnished by the Governing Body, unless the Governing Body contracts with the County for such service, and shall be in form the same as provided by law for election of the Executive Officer and Governing Body of such Municipality. When ordinances under such sections are submitted to the electors at a regularly scheduled primary or general election, they shall be placed upon the official ballots as provided in this Article. (Ref. 18-2522 RS Neb.)
§1-1011 INITIATIVE AND REFERENDUM; INITIATIVE.

A. The power of initiative allows citizens the right to enact measures affecting the governance of the Municipality. An initiative proposal shall not have as its primary or sole purpose the repeal or modification of existing law except if such repeal or modification is ancillary to and necessary for the adoption and effective operation of the initiative measure.

B. An initiative shall not be effective if the direct or indirect effect of the passage of such initiative measure shall be to repeal or alter an existing law, or portion thereof, which is not subject to referendum or subject only to limited referendum pursuant to Section 1-1012.

C. Whenever an initiative petition bearing signatures equal in number to at least fifteen (15%) per cent of the qualified electors of the Municipality has been filed with the Clerk and verified, it shall be the duty of the Governing Body to consider passage of the measure contained in the petition including an override of any veto, if necessary. If the Governing Body fails to pass the measure without amendment, including an override of any veto, if necessary, within thirty (30) days from the date it received notification, the Clerk shall cause the measure to be submitted to a vote of the people at the next regularly scheduled primary or general election held within the Municipality. If the Governing Body desires to submit the measure to a vote of the people at a special election prior to the next regularly scheduled primary or general election held within the Municipality, the Governing Body, shall, by resolution, direct the Clerk to cause the measure to be submitted at a special election. Such resolution shall not be subject to referendum or limited referendum.

D. Whenever an initiative petition bearing signatures equal in number to at least twenty (20%) percent of the qualified electors which requests that a special election be called to submit the initiative measure to a vote of the people has been filed with the Clerk and verified pursuant to section 1-1006, it shall be the duty of the Governing Body to consider passage of the measure contained in the petition including an override of any veto if necessary. If the Governing Body fails to pass the measure without amendment, including an override of any veto, if necessary, within thirty (30) days from the date it received notification, the Clerk shall cause the measure to be submitted to a vote of the people at a special election called for such purpose. The date of such election shall not be less than thirty (30) nor more than sixty (60) days from the date the Governing Body received notification pursuant to section 1-1006.

E. If a majority of voters voting on the initiative measure shall vote in favor of such measure, it shall become a valid and binding measure of the Municipality thirty (30) days after certification of the election results, unless the Governing Body, by resolution, orders an earlier effective date, or the measure itself provides for a later effective date. Which resolution shall not be subject to referendum or limited referendum? A measure passed by such method shall not be amended or repealed except by two-thirds (2/3) majority of the members of the Governing Body. No such attempt to amend or repeal shall be made within one (1) year from the passage of the measure by the electors. (Ref. 18-2523 through 18-2526 RS Neb.)

4. For any measure relating to the acquisition, construction, installation, improvement, or enlargement of public ways, public property, utility systems, or other capital projects or any measure relating to any facility or system adopted or enacted pursuant to the Integrated Solid Waste Management Act, the Municipality may exempt all subsequent measures relating to the same project from the referendum and limited referendum procedures provided for in this Article by the following procedure;

The notice required by this subdivision shall be published in at least one (1) newspaper of general circulation within the Municipality and shall be published not later than fifteen (15) days after passage by the Governing Body, including an override of a veto, if necessary, of a measure approving the project.

The right to hold such a hearing prior to the passage of the measure by the Governing Body, and give such notice after passage of such measure by the Governing Body to obtain exemption for any particular project in a manner described in this subsection is optional, and the Municipality shall not be required to hold such a hearing or give such notice for any particular project.

§2-201 LIBRARY BOARD.

(A) (1) The Library Board shall consist of five (5) appointed members who shall be residents of the Municipality and who shall serve terms of four (4) years. The board members shall be appointed by a majority vote of the members of the City Council. Neither the Mayor nor any member of the City Council shall be a member of the Library Board. The terms of members serving on the effective date of a change in the number of members shall not be shortened, and any successors to those members shall be appointed as the terms of those members expire. In cases of vacancies by resignation, removal, or otherwise, the City Council shall fill the vacancy for the unexpired term. No member shall receive any pay or compensation for any services rendered as a member of the Library Board. (Neb. RS 51-202)

(2) No member of the Board shall serve in the capacity of both the President and Secretary of the Board. It shall be the duty of the Secretary to keep the full and correct minutes and records of all meetings and to file the same with the Municipal Clerk where they shall be available for public inspection at any reasonable time.

(3) The Board shall meet at such times as the Board may designate. Special meetings may be held upon the call of the President or a majority of the members of the Board.

§2-202 PLANNING COMMISSION. (1) The Planning Commission shall consist of five (5) regular members who shall represent, insofar as is possible, the different professions or occupations in the Municipality and shall be appointed by the Mayor, by and with the approval of a majority vote of the members elected to the City Council. Two (2) of the regular members may be residents of the area over which the Municipality is authorized to exercise extraterritorial zoning and subdivision regulation. When there are a sufficient number of residents in the area over which the Municipality exercises extraterritorial zoning and subdivision regulation, one (1) regular member of the Commission shall be a resident from such area. If it is determined by the City Council that a sufficient number of residents reside in the area subject to extraterritorial zoning and subdivision regulation, and no such resident is a regular member of the Commission, the first available vacancy on the Commission shall
be filled by the appointment of such an individual. For purposes of this section, a sufficient number of residents shall mean five hundred (500) residents. The term of each regular member shall be three (3) years, except that approximately one-third (1/3) of the regular members of the first Commission shall serve for terms of one (1) year, one-third (1/3) for terms of two (2) years, and one-third (1/3) for terms of three (3) years. All regular members shall hold office until their successors are appointed. Any member may, after a public hearing before the City Council, be removed by the Mayor, with the consent of a majority vote of the members elected to the City Council, for inefficiency, neglect of duty, or malfeasance in office, or other good and sufficient cause. Vacancies occurring otherwise than through the expiration of term, shall be filled for the unexpired portion of the term by the Mayor.

(2) All regular members of the Commission shall serve without compensation and shall hold no other Municipal office except when appointed to serve on the Board of Adjustment, as provided in Section 19-908 RS Neb. All members of the Commission may be required, in the discretion of the Mayor and City Council, to give bond in a sum set by resolution of the City Council, and conditioned upon the faithful performance of their duties. The Commission shall elect its Chairperson and a Secretary from its members and create and fill such other of its offices as it may determine. The term of the Chairperson and the Secretary shall be one year, and they shall be eligible for reelection. No member of the Commission shall serve in the capacity of both the Chairperson and Secretary of the Commission. It shall be the duty of the Secretary to keep the full and correct minutes and records of all meetings and to file them with the Municipal Clerk where they shall be available for public inspection during office hours. The Commission shall be funded by the City Council from time to time out of the General Fund. The expenditures of the Commission, exclusive of gifts, shall be within the amounts appropriated for that purpose by the City Council; and no expenditures nor agreements for expenditures shall be valid in excess of such amounts. A number of Commissioners equal to a majority of the number of regular members appointed to the Commission shall constitute a quorum for the transaction of any business. The Commission shall hold at least one regular meeting in each calendar quarter, except the City Council may require the Commission to meet more frequently and the Chairperson of the Commission may call for a meeting when necessary to deal with business pending before the Commission. Special meetings may also be held upon the call of any three (3) members of the Commission. The Commission shall adopt rules and regulations for the transaction of business and shall keep a record of its resolutions, transactions, findings, and determinations, which shall be a public record. The Commission shall make and adopt plans for the physical development of the Municipality, including any areas outside its boundaries which, in the Commission’s judgment, bear relation to the planning of the Municipality, and shall carry out the other duties and exercise the powers specified in Section 19-929 RS Neb. All actions by the Commission shall be subject to the review and supervision of the Mayor and City Council. The Commission shall make its recommendations to the City Council so that they are received by the City Council within ninety (90) days after the Commission begins consideration of a
matter relating to the comprehensive development plan, capital improvements, building codes, subdivision development, the annexation of territory, or zoning. The Commission shall be responsible for making such reports and performing such other duties as the Mayor and City Council may, from time to time, designate.

(3) The Mayor, with the approval of a majority vote of the elected members of the City Council, shall appoint one (1) alternate member to the Commission. The alternate member shall serve without compensation and shall hold no other Municipal office. The term of the alternate member shall be three (3) years, and he or she shall hold office until his or her successor is appointed and approved. The alternate member may be removed from office in the same manner as a regular member. If the alternate member position becomes vacant other than through the expiration of the term, the vacancy shall be filled for the unexpired portion of the term by the Mayor, with the approval of a majority vote of the elected members of the City Council. The alternate member may attend any meeting and may serve as a voting and participating member of the Commission at any time when less than the full number of regular Commission members are present and capable of voting.  ([Ref. 19-924 through 19-929 RS Neb.])

(Amended by Ord. Nos. 469, 5/7/91; 533,1/3/96; 585,6/3/99)

§2-203  BOARD OF ADJUSTMENT.  (A) The Mayor shall appoint, with the consent of the City Council, a Board of Adjustment which shall consist of five regular members plus one additional member designated as an alternate who shall attend and serve only when one of the regular members is unable to attend for any reason. Each member shall be appointed for a term of three years, and shall be removable for cause by the Mayor upon written charges and after public hearings. Vacancies shall be filled for the unexpired term of any member whose term becomes vacant. One member only of the Board of Adjustment shall be appointed from the membership of the Planning Commission, and the loss of membership on the Planning Commission by such member shall also result in his or her immediate loss of membership on the Board of Adjustment and the appointment of another Planning Commissioner to the Board of Adjustment. If the Board does not include a member who resides in the extraterritorial zoning jurisdiction of the City, the first vacancy occurring on the Board of Adjustment after the effective date of this section shall be filled by the appointment of a person who resides in the extraterritorial zoning jurisdiction of the city at such time as more than two hundred persons reside within such area. Thereafter, at all times, at least one member of the Board of Adjustment shall reside outside the corporate boundaries of the city but within its extraterritorial zoning jurisdiction. Neither the Mayor nor any member of the City Council shall serve as a member of the Board of Adjustment.

(B) The members of the Board shall serve without compensation and may be required, in the discretion of the City Council, to give a bond in a sum set by resolution of the City Council and conditioned upon the faithful performance of their duties. The Board shall organize at its first meeting each year after the City Council meeting when appointments are regularly made and shall elect from its membership a Chairperson
and Secretary. No member of the Board of Adjustment shall serve in the capacity of both Chairperson and Secretary of the Board.

(C) The Board shall adopt rules in accordance with the provisions of this section and Neb. RS 19-901 to 19-914. Meetings of the Board shall be held at the call of the chairperson and at such other times as the Board may determine. Special meetings may be also held upon the call of three members of the Board. A Majority of the Board shall constitute a quorum for the purpose of doing business. The Chairperson, or in his or her absence the acting Chairperson, may administer oaths and compel the attendance of witnesses. All meetings of the Board shall be open to the public. It shall be the duty of the Secretary to keep complete and accurate minutes of the Board’s proceedings, showing the vote of each member upon each question, or, if absent or failing to vote, indicating such fact, and to keep records of the Board’s examinations and other official actions, all of which shall be immediately filed in the office of the Board and shall be public record. The Board shall be responsible for making such reports and performing such other duties as the Mayor and City Council may designate. (Neb. RS 19-908)

(D) Appeals to the Board may be taken by any person aggrieved or by any officer, department, board, or bureau of the city affected by any decision of the administrative officer. Such appeal shall be taken within a reasonable time, as provided by the rules of the Board, by filing with the officer from whom the appeal is taken and with the Board a notice of appeal specifying the grounds thereof. The officer from whom the appeal is taken shall forthwith transmit to the Board all the papers constituting the record upon which the action appealed from was taken. An appeal stays all proceedings in furtherance of the action appealed from, unless the officer from whom the appeal is taken certifies to the Board, after the notice of appeal shall have been filed with him or her, that by reason of facts stated in the certificate a stay would, in his or her opinion, cause imminent peril to life or property. In such case, proceedings shall not be stayed otherwise than by a restraining order which may be granted by the board or by a court of record on application on notice to the officer from whom the appeal is taken and on due cause shown. The Board shall fix a reasonable time for the hearing of the appeal, give public notice thereof, as well as due notice to the parties in interest, and decide the same within a reasonable time. Upon the hearing, any party may appear in person or by agent or by attorney. (Neb. RS 19-909)

(E) The Board shall have only the following powers;

(1) To hear and decide appeals when it is alleged there is error in any order, requirement, decision, or determination made by an administrative official or agency based on or made in the enforcement of any zoning regulation or any regulation relating to the location or soundness of structures, except that the authority to hear and decide appeals shall not apply to decisions made by the City Council or Planning Commission regarding a conditional use or special exception;

(2) To hear and decide, in accordance with the provisions of any zoning regulation, requests for the interpretation of any map; and
(3) When by reason of exceptional narrowness, shallowness, or shape of a specific piece of property at the time of the enactment of the zoning regulations, or by reason of exceptional topographic conditions or other extraordinary and exceptional situation or condition of such piece of property, the strict application of any zoning regulation would result in peculiar and exceptional practical difficulties to or exceptional and undue hardships upon the owner of such property, to authorize, upon an appeal relating to the property, a variance from such strict application so as to relieve such difficulties or hardship, if such relief may be granted without substantial detriment to the public good and without substantially impairing the intent and purpose of any ordinance or resolution.

(F) No such variance shall be authorized by the Board unless it finds that:

(1) The strict application of the zoning regulation would produce undue hardship;

(2) Such hardship is not shared generally by other properties in the same zoning district and the same vicinity;

(3) The authorization of such variance will not be of substantial detriment to adjacent property and the character of the district will not be changed by the granting of the variance; and

(4) The granting of such variance is based upon reason of demonstrable and exceptional hardship as distinguished from variations for purposes of convenience, profit, or caprice.

No variance shall be authorized unless the Board finds that the condition or situation of the property concerned or the intended use of the property is not of so general or recurring a nature as to make reasonably practicable the formulation of a general regulation to be adopted as an amendment to the zoning regulations.

(G) In exercising the powers granted in this section, the Board may, in conformity with Neb. RS 19-901 to 19-915, reverse or affirm, wholly or partly, or may modify the order, requirement, decision or determination of any such administrative official, or to decide in favor of the applicant on any matter upon which it is required to pass under any such regulation or to effect any variation in such regulation. (Neb. RS 19-910)

(H) Appeals from a decision by the Board may be taken as provided in Neb. RS 19-912.

§2-204 BOARD OF HEALTH. (1) The Governing Body shall appoint a Board of Health which shall consist of four (4) members. The members of the Board shall include the Mayor, who shall serve as Chairperson, the President of the City Council, and two (2) other members. One member shall be a physician or health care provider, if one can be found who is willing to serve. Such physician or health care provider, if appointed, shall be the Board’s medical advisor. If the Mayor has appointed a Chief of Police, the Chief of Police shall serve on the Board as Secretary and quarantine officer. The members of the Board shall serve, without compensation, a one (1) year term of office,
unless reappointed, and shall reorganize at the first meeting in December of each year. No member of the Board of Health shall hold more than one (1) Board of Health position.

(2) The Secretary shall keep full and correct minutes and records of all meetings and file the same with the Municipal Clerk where they shall be available for public inspection during office hours. The Board of Health shall be funded by the Governing Body, from time to time, out of the General Fund. A majority of the Board shall constitute a quorum for the purpose of doing business. The Board shall meet at such times as the Governing Body may designate. Special meetings may be held upon the call of the chairperson, or any two (2) members of the Board.

(3) The Board shall enact rules and regulations, which shall have the full force and effect of law, to safeguard the health of the people of the Municipality. The Board shall enforce the rules and regulations and provide fines and punishments for any violations thereof. It may regulate, suppress, and prevent the occurrence of nuisances and enforce all laws of the State of Nebraska and ordinances of the Municipality relating to nuisances and to matters of sanitation which affect the health and safety of the people. The Board shall regularly inspect such premises and businesses as the Governing Body may direct. All members of the Board shall be responsible for making such reports and performing such other duties as the Governing Body may, from time to time, designate.

§2-205 HOUSING AUTHORITY BOARD. The Governing Body shall appoint five (5) persons who shall constitute the Housing Authority and such persons shall be called the Commissioners. One (1) Commissioner shall be appointed each year. Each Commissioner shall serve a five (5) year term of office or until his successor is duly appointed, provided that all vacancies shall be filled for the unexpired terms. The Governing Body may appoint one (1) of its members to serve as one of the five (5) members of such Housing Authority for such term as the Governing Body may determine. No person shall serve as a Commissioner unless he or she resides within the area of operation of that Housing Authority. A certificate of appointment or reappointment of any Commissioner shall be filed with the Municipal Clerk and such certificate shall be conclusive evidence of the proper appointment of such Commissioner. A Commissioner shall receive no compensation for his services, but he shall be entitled to the necessary expenses, including travel expenses, incurred in discharge of his duties. A majority of Commissioners shall constitute a quorum of the Authority for the purpose of conducting its business, exercising its powers, and for all other purposes. Action may be taken by the Authority upon the vote of the majority of the Commissioners present unless, in any case, the bylaws of the Authority shall require a larger number. The Commissioners shall elect a chairman and vice-chairman from among the Commissioners and shall have the power to employ an executive director who shall serve as ex officio secretary of the Authority. The Authority may also employ legal counsel, or it may call upon the chief law officer of the Municipality for such services as it may require. It may employ technical experts and such other officers,
agents, and employees as it may require and shall determine their qualifications, duties, compensations, and terms of office. The Authority may delegate such other powers and duties to its agents or employees as it may deem proper. During his tenure and for one (1) year thereafter, no commissioner, officer, or employee of the Municipal Housing Authority shall voluntarily acquire property included or planned to be included in any project, or in any contract or proposed contract relating to any housing project. If any such commissioner, officer, or employee involuntarily acquires any such interest, or voluntarily or involuntarily acquired any such interest prior to appointment or employment as commissioner, officer, or employee, he shall immediately disclose his interest in writing to the Authority, and such disclosure shall be entered upon the minutes of the Authority, and he shall not participate in any action by the Authority relating to the property or contract in which he has any such interest; provided that nothing herein shall apply to the acquisition of any interest in notes or bonds of the Authority issued in connection with any housing project, or to the execution of agreements by banking institutions for deposit or handling of funds in connection with a project, or to act as trustee under any trust indenture, or to utility services, the rates for which are fixed or controlled by a governmental agency. The Mayor may remove a Commissioner for neglect of duty or misconduct in office in the manner prescribed hereinafter. The Mayor shall send a notice of removal to such Commissioner which notice shall contain a statement containing the charges against him. Unless, within ten (10) days from the receipt of such notice, such Commissioner files with the Clerk a request for a hearing before the Governing Body, the Commissioner shall be deemed as removed from office. If a request for a hearing is filed with the Clerk, the Governing Body of the Municipality shall hold a hearing at which the Commissioner shall have the right to appear in person or by counsel and the Governing Body shall determine whether the removal shall be disapproved or upheld. If the removal is disapproved, the Commissioner shall continue to hold his position.

The Housing Authority shall keep an accurate account of all its activities and of all its receipts and disbursements and shall make a report to the Governing Body on all such information. (Ref. 71-1524 through 71-1526, 71-1552 RS Neb.)

§2-206 HOUSING AUTHORITY; CONTINUED EXISTENCE HOUSING AGENCY.

(A) The local housing authority established under prior state law and in existence on January 1, 2000, shall have continued existence as a housing agency under the Nebraska Housing Agency Act.

(B) The local housing agency shall conduct its operations consistent with the Nebraska Housing Agency Act. All property, rights in land, buildings, records, and equipment and any funds, money, revenue, receipts, or assets of the authority belong to the agency as successor. All obligations, debts, commitments, and liabilities of the authority are obligations, debts, commitments, and liabilities of the successor agency.

(C) Any resolution by the authority and any action taken by the authority prior to January 1, 2000, with regard to any project or program which is to be completed within or to be conducted for a twelve-month period following January 1, 2000, and
which resolution or action is lawful under state law as it existed prior to January 1, 2000, is a lawful resolution or action of the successor agency and binding upon the successor agency and enforceable by or against the agency notwithstanding that such resolution or action is inconsistent with, not authorized by, or prohibited under the provisions of the Nebraska Housing Agency Act.

(D) All commissioners of the local housing agency and all officers, legal counsel, technical experts, directors, and other appointees or employees of the agency holding office or employment by virtue of any such prior law on January 1, 2000, shall be deemed to have been appointed or employed under the Nebraska Housing Agency Act. (Neb. RS 71-1576)

§2-207 HOUSING AUTHORITY; OPERATION AND MANAGEMENT. The Authority shall at all times observe the following duties with respect to rentals and tenant selection:

1. It may rent or lease dwelling accommodations therein only to persons of low income, elderly, or handicapped persons of low income, and displaced persons in need.

2. There shall be no discrimination in the eligibility or occupancy of tenants on the basis of race, sex, marital status, religion, color, creed, national origin, or ancestry.

3. The Authority shall not accept any person as a tenant in any dwelling in the housing project if the persons who occupy the dwelling have an aggregate annual income which equals or exceeds the amount which the Authority has conclusively determined to be sufficient to enable one to secure, safe, sanitary, and uncongested dwelling accommodations within the area served by the Authority and to provide an adequate standard of living.

4. The Authority may rent or lease to a tenant a dwelling consisting of a number of rooms which is deemed necessary to provide safe and sanitary accommodations to the occupants without overcrowding.

5. The Authority shall fix income limits for occupancy and rents after taking into consideration;
   a. The family size, composition, age, physical handicaps, and other factors which might affect the rent-paying ability of the person.
   b. The economic factors which affect the financial stability and solvency of the project.

6. The Authority may accept as a tenant any displaced person or persons in need, regardless of income, but in no event shall such person or persons remain as a tenant or tenants of the Authority for more than a period of six (6) months unless such persons also qualify as persons of low income, elderly, or handicapped persons of low income.

7. All persons of low income, elderly, or handicapped persons of low income, or displaced persons in need, shall be entitled to the benefits of this Article and the Authority may establish rules and regulations consistent with the purposes of this
Article and the Authority may establish rules and regulations consistent with the purposes of this Article concerning eligibility and occupancy of the housing project or other such shelter.

8. Nothing herein shall prohibit the right of the Authority to inquire into the financial condition, family composition, medical, personal, and employment history of any tenant or prospective tenant.

9. The Authority shall prohibit subletting by tenants.

The Authority may establish, from time to time, rules and regulations consistent with federal and state laws and regulations and the purposes of this Article concerning the termination of tenancy. Any tenant so terminated shall be sent a written notice of termination setting out the reasons for such termination, and any tenant served with a notice shall be given the opportunity to contest the termination in an appropriate hearing; except that tenants who have created or maintained a threat constituting a serious and clear danger to the health or safety of other tenants or Authority employees need not be given such a hearing by the Authority. Such notice may provide that if the tenant fails to pay his or her rent or comply with any covenant or condition of his or her lease, or the rules and regulations of such Authority, or cure a violation or default thereof, as the case may be, as specified in such notice, or follow the procedure for a hearing as set forth in the notice, all within the time or times set forth in such notice; the tenancy shall then be automatically terminated and no other notice or notices need be given of such termination or the intent to terminate the tenancy, and upon such termination, and without any notice other than as provided for in this section, the Authority may file suit against any tenant for recovery of possession of the premises and may recover the same as provided by law.

The Authority may establish, from time to time, rules and regulations consistent with the purposes of this Article concerning personal property of tenants and other persons located in projects of the Authority; and if such personal property is not removed from a dwelling unit at the time of the termination of the lease, at the time of vacation or abandonment of the dwelling unit, or at the time of the death of any tenant, then the authority may remove the same and store such property at the tenant’s risk and expense. In the event that possession of such personal property is not taken by the tenant or other person authorized by law to take possession within forty-five (45) days after such termination, vacation, or abandonment, and any storage removal charges remain unpaid, then the Authority may, at its option, dispose of the personal property in any manner which the Authority deems fit, except that any proceeds from the disposal of such personal property shall be paid to the general fund of the body which created the Authority. No tenant or other person shall have any cause of action against the Authority for such removal or disposition of such personal property. (Ref 71-1536 RS Neb.)

§2-208 HOUSING AUTHORITY; REPORTS. The Housing Authority shall keep an accurate account of all its activities and of all its receipts and disbursements and shall make an annual report at the second (2nd) regular meeting in January of each year to
the Governing Body. Such report shall include all mortgages and other interests in real property held by the sale, essential terms and obligations, and all other financial obligations of the Housing Authority over fifty thousand ($50,000.00) dollars. Such reports shall be considered public records. If there has been no change from the last report in the status of any of the items reported pursuant to this section, the Housing Authority may file a statement to that effect in lieu of the report. (Ref. 71-1552 RS Neb.)
§2-301 VIOLATION PENALTY.

(A) Any person, or any person’s agent or servant, who violates any of the provisions of this municipal code, unless otherwise specifically provided herein, shall be deemed guilty of an offense and upon conviction thereof shall be fined in any sum not exceeding $500.00. A new violation shall be deemed to have been committed every twenty-four (24) hours of such failure to comply.

Water may not be supplied to any house or private service pipe except upon the order of the Superintendent. The Department shall not supply water service to any person outside the corporate limits without special permission from the Governing Body; provided the entire cost of laying mains, service pipe, and supply pipe shall be paid by the consumer. Nothing herein shall be construed to obligate the Municipality to provide water service to non-residents. (Ref. 17-537, 19-2701 RS Neb.) (Amended by Ord. No. 385, 11/10/80)

§3-104 MUNICIPAL WATER DEPARTMENT; WATER CONTRACT. The Municipality, through its Water Department, shall furnish water to persons within its corporate limits whose premises abut a street or alley in which a commercial main now is or may hereafter be laid. The Municipality may furnish water to persons within its corporate limits whose premises do not abut a street or alley in which a Municipal commercial main is now or may hereafter be laid and may also furnish water to persons whose premises are situated outside the corporate limits of the Municipality, as and when, according to law, the Governing Body may see fit to do so. The rules, regulations, and water rates hereinafter named in this Article, shall be considered a part of every application hereafter made for water service and shall be considered a part of the contract between every consumer now or hereafter served. Without further formality, the making of application on the part of any applicant or the use or consumption of water service by present consumers thereof and the furnishing of water service to said consumer shall constitute a contract between the consumer and the Municipality, to which said contract both parties are bound. If the consumer shall violate any of the provisions of said contract or any reasonable rules and regulations that the Governing Body may hereafter adopt, the Governing Body may order the Utilities Superintendent to cut off or disconnect the water service from the building or premise or place of such violation. No further connection for water service to said building, premise, or place shall again be made save or except by order of said Superintendent or his agent.

§3-105 MUNICIPAL WATER DEPARTMENT; INSTALLATION EXPENSE. The expense of providing water service to the lot line shall be paid by the Municipality. The consumer shall then pay the cost of installation and pipe from the lot line to the place of dispersion, as well as the cost of installing said meter in place where it will properly measure all water consumed and will be convenient for the representatives of the Municipality to read and keep in repair. Said meter shall be located in a place where it will be protected from freezing. (Ref. 17-542 RS Neb.)

§3-106 MUNICIPAL WATER DEPARTMENT; REPAIRS. Repairs to the service pipe shall be made by and at the expense of the customer. All other repairs to the property of the Water Department, including the meter, shall be made by the Municipality. All water meters shall be kept in repair by the Municipality at the expense of the Municipality. When meters are worn out, they shall be replaced with meters purchased
by the Municipality and installed at the expense of the customer; provided, that if the
customer permits or allows a water meter to be damaged, injured, or destroyed through
his own recklessness, carelessness, or neglect so that the meter must be repaired or
replaced, the Municipal Clerk shall bill and collect from the customer the cost of such
meter repair or replacement in the same manner as water rent is collected. Permitting a
water meter to be damaged or destroyed by freezing shall always be considered
negligence on the part of the customer. The Municipality reserves the right to test any
water service meter at any time, and if said meter is found to be beyond repair the
Municipality shall always have the right to place a new meter on the customer's water
service fixtures with the expense of installation being charged to the customer. Should a
consumer's meter fail to register properly, the customer shall be charged for water
during the time the meter is out of repair on the basis of the monthly consumption
during the same month of the preceding year; provided that if no such basis for
comparison exists, the customer shall be charged such amount as may be reasonably
fixed by the Municipal Clerk. (Ref. 17-542 RS Neb.)

§3-107 MUNICIPAL WATER DEPARTMENT; FEES AND COLLECTIONS. The
Governing Body has power and authority to fix the rates to be paid by the water
consumers for the use of water from the Water Department. The Municipal Clerk shall
bill the consumers and collect all money received by the Municipality on the account of
the Water Department. He shall faithfully account for, and pay to the Municipal
Treasurer all revenue collected by him, taking his receipt therefore in duplicate, filing
one (1) with the Municipal Clerk and keeping the other on file in the Water
Department's official records. (Ref. 17-540 RS Neb.)

§3-108 MUNICIPAL WATER DEPARTMENT; RATES. All water consumers shall pay
a base charge of $31.00, per month. In addition, each consumer shall pay $2.80 per

monthly for water usage, provided by the Municipal Water Department. The Utilities
Superintendent shall read, or cause to be read, water meters, monthly. Monthly bills
are due and payable at the office of the Municipal Clerk. Payment of the net amount is
allowed until the 25th day of the month the bill is mailed. After that date, the bill is
considered delinquent and payable in the gross amount. Delinquent bills will be
collected as provided for in Section 3, Article 11 of these ordinances.
(Ref. 17-542, 18-416 RS Neb.) (Amended by Ord.No. 670; 09-02-2008)

§3-110 MUNICIPAL WATER DEPARTMENT; LIEN. In addition to all other
remedies, if a customer shall for any reason remain indebted to the Municipality for
water service furnished, such amount due, together with any rents and charges in
arrears, shall be considered a delinquent water rent which is hereby declared to be a lien upon the real estate for which the same was used. The Municipal Clerk shall notify in writing or cause to be notified in writing, all owners of premises or their agents whenever their tenants or lessees are sixty (60) days or more delinquent in the payment of water rent. It shall be the duty of the Municipal Clerk on the first (1st) day of June of each year to report to the Governing Body a list of all unpaid accounts due for water together with a description of the premise upon which the same was used. It shall further be unlawful for any person to tamper with any water meter or by means of any contrivance or device to divert the water from the service pipe so that the water will not pass through the meter or while passing through said meter to cause the meter to register inaccurately. (Ref. 17-537 RS Neb.)

§3-112 MUNICIPAL WATER DEPARTMENT; RESTRICTED USE. The Governing Body or the Utilities Superintendent may order a reduction in the use of water or shut off the water on any premises in the event of a water shortage due to fire or other good and sufficient cause. The Municipality shall not be liable for any damages caused by shutting off the supply of water of any consumer while the system or any part thereof is undergoing repairs or when there is a shortage of water due to circumstances over which the Municipality has no control. (Ref. 17-537 RS Neb.)

§3-119 MUNICIPAL WATER DEPARTMENT; BACKFLOW/BACKSIPHONAGE PREVENTION; STATEMENT OF POLICY.

A. Purpose: The purpose of this ordinance is;
   1. To protect the public potable water supply of the City of Lyons water system from contamination or pollution by containing within the consumer's internal distribution system or private water system contaminants or pollutants which could backflow through the service connection into the public potable water supply system.
   2. To promote the elimination, containment, isolation or control of existing cross connections, actual or potential, between the public or consumer's
potable water systems and non-potable water systems, plumbing fixtures, and industrial process systems.

3. To provide for the maintenance of a continuing program of cross connection control which will systematically and effectively prevent the contamination or pollution of all potable water systems.

B. Application: This ordinance shall apply to all premises served by the public potable water system of the City of Lyons.

C. Policy: This ordinance will be reasonably interpreted. It is the City's intent to recognize the varying degrees of hazard and to apply the principle that the degree of protection shall be commensurate with the degree of hazard.

The Municipal Water Department shall be primarily responsible for protection of the public potable water distribution system from contamination or pollution due to backflow of contaminants or pollutants through the water service connection. The cooperation of all consumers is required to implement and maintain the program to control cross connections. The consumer is responsible for preventing contamination of the water system within consumer's own premises.

11. "Cross connection" means any physical link between a potable water supply and any other substance, fluid, or source which makes possible contamination of the potable water supply due to the reversal of flow of the water in the piping or distribution system.

12. "Hazard, Degree of" means an evaluation of the potential risk to public health and the adverse effect of the hazard upon the potable water system.
   a. Hazard-Health - any condition device, or practice in the water supply system and its operation which could create, or may create, a danger to the health and well-being of the water consumer.

   c. Hazard-Pollutional - an actual or potential threat to the physical properties of the water system or to the potability of the public or the consumer's potable water system, but which would constitute a nuisance or be aesthetically objectionable, or could cause damage to the system or its appurtenances, but would not be dangerous to health.
   d. Hazard-System - an actual or potential threat of severe damage to the physical properties of the public potable water system or the consumer's potable water system, or of a pollution or contamination which would have a protracted effect on the quality of the potable water in the system.

13. "Isolation" means protection of a facility service line by installing a cross connection control device or air gap separation on an individual fixture, appurtenance, or system.

14. "Pollution" means the presence of any foreign substance (organic, inorganic, or biological) in water which tends to degrade its quality so as to constitute a hazard or impair the usefulness of the water to a degree which does not create an actual hazard to the public health, but which does adversely and unreasonably affect such waters for domestic use.

15. "Public Potable Water System" means any publicly or privately owned water system supplying water to the general public which is satisfactory
for drinking culinary and domestic purposes, and meets the requirements of the Nebraska Department of Health.

B. An approved air gap separation or reduced pressure principle backflow prevention device shall be installed at the service connection or within any premises
where, in the judgment of the Municipal Water Department, the nature and extent of activities on the premises, or the materials used in connection with the activities, or materials stored on the premises, would present an immediate and dangerous hazard to health should a cross connection occur; even though such cross connection may not exist at the time the backflow prevention device is required to be installed. This includes, but is not limited to, the following situations;

1. Premises having an auxiliary water supply, unless the quality of the auxiliary supply is acceptable to the City or its authorized representative and the Nebraska Department of Health;
2. Premises having internal cross connections that are not correctable, or intricate plumbing arrangements, which make it impractical to ascertain whether or not cross connections exist;

4. Premises having a repeated history of cross connections being established or re-established;
5. Premises, which due to the nature of the enterprise therein, are subject to recurring modification or expansion;
6. Premises on which any substance is handled under pressure so as to permit entry into the public water supply system or where a cross connection could reasonably be expected to occur. This shall include the handling of process waters and cooling waters; and
7. Premises where toxic or hazardous materials are handled.

C. The following types of facilities fall into one or more of the categories or premises where an approved air gap separation or reduced pressure principle backflow prevention device may be required by the City, or its authorized representative, or the Nebraska Department of Health to protect the public water supply and must be installed at these facilities, unless all hazardous or potentially hazardous conditions have been eliminated or corrected by other methods to the satisfaction of the City or its authorized representative and the Nebraska Department of Health;

§3-124 MUNICIPAL WATER DEPARTMENT; BACKFLOW/BACKSIPHONAGE PREVENTION; TYPE OF PROTECTION REQUIRED.

The type of protection required by this ordinance shall depend on the degree of hazard which exists as follows:

1. An approved air gap separation shall be installed where the potable water system may be contaminated with substances that could cause a severe health hazard.
2. An approved air gap separation or an approved reduced pressure principle backflow prevention device shall be installed where the public potable water system may be contaminated with a substance that could cause a health hazard.

In either case, the owner or his agent shall make application on a special form furnished by the City of Lyons. The permit application shall be supplemented by any plans, specifications, or other information considered pertinent in the judgment of the Superintendent. A permit and inspection fee of three hundred dollars ($300.00) for a residential building sewer permit and five hundred dollars ($500.00) for a commercial or industrial building sewer permit shall be paid to the City of Lyons at the time the application is filed.

§3-206 MUNICIPAL SEWER DEPARTMENT; PROHIBITED DISCHARGE; MANHOLES.

1. No person shall discharge or cause to be discharged any storm water, surface water, groundwater, roof runoff, subsurface drainage, including interior and exterior foundation drains, uncontaminated cooling water, or unpolluted industrial process waters to any sanitary sewer.

2. Storm water and all other unpolluted drainage shall be discharged to such sewers as are specifically designated as combined sewers or storm sewers, or to a natural outlet approved by the Superintendent. Industrial cooling water or unpolluted process waters may be discharged, on approval of the Superintendent, to a storm sewer, combined sewer or natural outlet.

3. No person shall discharge or cause to be discharged any of the following described waters or wastes to any public sewers:

   (a) Any gasoline, benzene, naphta, fuel oil, or other flammable or explosive liquid, solid, or gas.

   (b) Any waters or wastes containing toxic or poisonous solids, liquids, or gases in sufficient quantity, either singly or by interaction with other wastes, to injure or interfere with any sewage treatment process, constitute a hazard to humans or animals, create a public nuisance, or create any hazard in the receiving waters of the sewage treatment plant, including but not limited to cyanides in excess of two (2) mg/l as CN in the wastes as discharged to the public sewer.

   (c) Any waters or wastes having a pH lower than 5.5., or having any other corrosive property capable of causing damage or hazard to structures, equipment, and personnel of the sewage works.
4. Solid or viscous substances in quantities or of such size capable of causing 
obstruction to the flow in sewers, or other interference with the proper operation of the 
sewage works such as, but not limited to, ashes, cinders, sand, mud, straw, shavings, 
metal, glass, rags, feathers, tar, plastics, wood, ungrounded garbage, whole blood, 
paunch manure, hair and fleshings, entrails and paper dishes, cups, milk containers, 
etc., either whole or ground by garbage grinders.

5. No person shall discharge or cause to be discharged the following 
described substances, materials, waters, or wastes if it appears likely in the opinion of 
the Superintendent that such wastes can harm either the sewers, sewage treatment 
process, or equipment, have an adverse effect on the receiving stream, or can otherwise 
endanger life, limb, public property or constitute a nuisance. In forming his opinion as 
to the acceptability of these wastes, the Superintendent will give consideration to such 
factors as the quantities of such wastes in relation to flows and velocities in the sewers, 
materials of construction of the sewers, nature of the sewage treatment process, capacity 
of the sewage treatment plant, degree of treatability of wastes in the sewage treatment 
plant, and other pertinent factors. The substances prohibited are:

(a) Any liquid or vapor having a temperature higher than one hundred fifty (150) F (65 C).

(b) Any water or wastes containing fats, wax, grease or oils, whether 
emulsified or not, in excess of the one hundred (100) mg/1 or containing 
substances which may solidify or become viscous at temperatures between 
three-two (32) and one hundred fifty ( 150) f (0 and 65 C).

(c) Any garbage that has not been properly shredded. The installation and 
operation of any garbage grinder equipped with a motor of three-fourths (3/4) 
horsepower (0.76 hp metric) or greater shall be subject to the review and 
approval of the Superintendent.

(d) Any waters or wastes containing strong acid from pickling wastes or 
concentrated plating solutions, whether neutralized or not.

(e) Any waters or wastes containing iron, chromium, copper, zinc, and 
similar objectionable or toxic substances or wastes exerting an excessive chlorine 
requirement to such degree that any such material received in the composite 
sewage at the sewage treatment works exceeds the limits established by the 
Superintendent for such materials.

(f) Any waters or wastes containing phenols or other taste or odor producing 
substances in such concentrations exceeding limits which may be established by 
the Superintendent as necessary, after treatment of the composite sewage, to 
meet the requirements of State, Federal, or other public agencies of jurisdiction 
for such discharge to the receiving waters.

(g) Any radioactive wastes or isotopes of such half-1ife or concentration as 
may exceed limits established by the Superintendent in compliance with 
applicable State or Federal regulations.

(h) Any waters or wastes having a pH in excess of (9.5).

(i) Materials which exert or cause:
(i) Unusual concentrations of inert suspended solids (such as but not limited to, Fullers earth, lime slurries, and lime residues) or of dissolved solids (such as but not limited to sodium chloride or sodium sulfate).
(ii) Excessive discoloration (such as but not limited to dye wastes and vegetable tanning solutions).
(iii) Unusual BOD, chemical oxygen demand, or chlorine requirements in such quantities as to constitute a significant load on the sewage treatment works.
(iv) Unusual volume of flow or concentration of wastes constituting "slugs" as defined herein.

(j) Waters or wastes containing substances which are not amenable to treatment or reduction by the sewage treatment processes employed, or are amenable to treatment only to such degree that the sewage treatment plant effluent cannot meet the requirements of other agencies having jurisdiction over discharge to the receiving waters.

(k) Any waters or wastes having, (1) a 5-day BOD greater than 300 parts per million by weight, or (2) containing more than 350 parts per million by weight of suspended solids, or (3) having an average daily flow greater than 2 percent of the average sewage flow of the City of Lyons, shall be subject to the review of the Superintendent. Where necessary, in the opinion of the Superintendent, the owner shall provide, at his expense, such preliminary treatment as may be necessary, to (1) reduce the biochemical oxygen demand to 300 parts per million by weight, or (2) reduce the suspended solids to 350 parts per million by weight, or (3) control the quantities and rates of discharge of such waters or wastes.

Plans, specifications, and any other pertinent information relating to proposed preliminary treatment facilities shall be submitted for the approval of the Superintendent, and no construction of such facilities shall be commenced until said approvals are obtained in writing.

5. If any waters or wastes are discharged or are proposed to be discharged to the public sewers which waters contain the substances or possess the characteristics enumerated in paragraph 4 of this section and which, in the judgment of the Superintendent, may have a deleterious effect upon the sewage works, processes, equipment, or receiving waters or which otherwise create a hazard to life to constitute a public nuisance, the Superintendent may;

(a) Reject the wastes,
(b) Require pretreatment to an acceptable condition for discharge to the public sewers,
(c) Require control over the quantities and rates of discharge, and/or
(d) Require payment to cover the added cost of handling and treating the wastes not covered by existing taxes or sewer charges under the provisions of section 10 of the Article.
If the Superintendent permits the pretreatment or equalization of waste flows, the design and installation of the plants and equipment shall be subject to the review and approval of the Superintendent and subject to the requirements of all applicable codes, ordinances and laws.

6. Grease, oil, and sand interceptors shall be provided when, in the opinion of the Superintendent, they are necessary for the proper handling of liquid wastes containing grease in excessive amounts or any flammable wastes, sand or other harmful ingredients; except that such interceptors shall not be required for private living quarters or dwelling units. All interceptors shall be of a type and capacity approved by the Superintendent and shall be located as to be readily and easily accessible for cleaning and inspection.

7. Where preliminary treatment or flow-equalizing facilities are provided for any waters or wastes, they shall be maintained continuously in satisfactory and effective operation by the owner at his expense.

8. When required by the Superintendent, the owner of any property services by a building sewer carrying industrial wastes shall install a suitable control manhole, together with such necessary meters and other appurtenances in the building sewer to facilitate observation, sampling, and measurement of the wastes. Such manhole, when required, shall be accessibly and safely located, and shall be constructed in accordance with plans approved by the Superintendent. The manhole shall be installed by the owner at his expense and shall be maintained by him, so as to be safe and accessible at all times.

9. All measurements, tests, and analyses of the characteristics of waters and wastes, to which reference is made in this ordinance, shall be detonated in accordance with the latest edition of "Standard Methods for the Examination of Water and Wastewater," published by the American Public Health Association, and shall be detonated at the control manhole provided or upon suitable samples taken at said control manhole. In the event that no special manhole has been required, the control manhole shall be considered to be the nearest downstream manhole in the public sewer to the point at which the building sewer is connected. Sampling shall be carried out by customarily accepted methods to reflect the effect of constituents upon the sewage works and to determine the existence of hazards to life, limb, and property. (The particular analyses involved will determine whether a twenty-four (24) hour composite of all outfalls of a premises is appropriate, or whether a grab sample or samples should be taken. Normally, but not always, BOD and suspended solids analyses are obtained from 24-hour composites of all outfalls, whereas PHS is determined from periodic grab samples.)

10. No statement contained in this article shall be construed as preventing any special agreement or arrangement between the City of Lyons and any industrial concern whereby an industrial waste of unusual strength or character may be accepted by the City of Lyons for treatment, subject to payment therefore, by the industrial concern.
§3-207 MUNICIPAL SEWER DEPARTMENT; DAMAGE TO SEWER WORKS. No unauthorized person shall maliciously, willfully, or negligently break, damage, destroy, uncover, deface, or tamper with any structure, appurtenance, or equipment which is part of the sewage works. Any person violating this provision shall be subject to immediate arrest.

§3-208 MUNICIPAL SEWER DEPARTMENT; INSPECTION.

1. The Superintendent and other duly authorized employees of the City of Lyons bearing proper credentials and identification shall be permitted to enter all properties for the purposes of inspection, observation, measurement, sampling, and testing in accordance with the provisions of this ordinance. The Superintendent or his representatives shall have no authority to inquire into any processes including metallurgical, chemical, oil, refining, ceramic, paper, or other industries beyond that point having a direct bearing on the kind and source of discharge to the sewers or waterways or facilities for waste treatment.

2. While performing the necessary work on private properties referred to above, the Superintendent or duly authorized employees of the City of Lyons shall observe all safety rules applicable to the premises established by the company, and the company shall be held harmless for injury or death to the City of Lyons employees; and the City shall indemnify the company against loss or damage to its property by City of Lyons employees and against liability claims and demands for personal injury or property damage asserted against the company, and growing out of the gauging and sampling operation, except as such may be caused by negligence or failure of the company to maintain safe conditions as required in section 3-205 (8).

3. The Superintendent and other duly authorized employees of the City of Lyons bearing proper credentials and identification shall be permitted to enter all private properties through which the City of Lyons holds a duly negotiated easement for the purposes of, but not limited to, inspection, observation, measurement, sampling, repair, and maintenance of any portion of the sewage works lying within said easement, and shall be done in full accordance with the terms of the duly negotiated easement pertaining to the private property involved.

§3-209 MUNICIPAL SEWER DEPARTMENT; SEWER USE CHARGE. It is determined and declared to be necessary and conducive to the protection of the public health, safety, welfare and convenience of the City of Lyons to collect charges from all users who contribute wastewater to the City of Lyons' treatment works. The proceeds of such charges so derived will be used for the purpose of operating, maintaining and retiring the debt for such public wastewater treatment works.

§3-210 MUNICIPAL SEWER DEPARTMENT; SERVICE REVENUES.

1. The user charge system shall generate adequate annual revenues to pay costs of annual operation and maintenance; including replacement of costs associated
with debt retirement, and of bonded capital associated with financing the treatment works which the City of Lyons may, by ordinance, designate to be paid by the user charge system. That portion of the total user charge which is designated for operation and maintenance, including replacement of the treatment works, shall be established by this ordinance.

2. That portion of the total user charge collected which is designated for operation and maintenance, including replacement purposes as established in section 3-210, shall be deposited in a separate non-lapsing fund known as the **Operation, Maintenance and Replacement Fund**, and will be kept in two primary accounts as follows:

   (a) An account designated for the specific purpose of defraying operation and maintenance costs (excluding replacement) of the treatment works (Operation and Maintenance Account).
   (b) An account designated for the specific purpose of insuring replacement needs over the useful life of the treatment works (Replacement Account).

   Deposits in the replacement account shall be made at least annually from the operation, maintenance, and replacement revenue in the amount of $1286.00 annually.

3. The minimum charge per month shall be $5.65. In addition, each contributor shall pay a user rate for operation and maintenance; including replacement of $.475 per thousand gallons of water as determined in the preceding paragraph and an additional $.221 per thousand gallons of water for debt retirement.

(Amended by Ord. Nos. 528, 10/3/95; 619, 2/7/02; 620, 2/7/02; 643, 12/4/2003)

§3-211 MUNICIPAL SEWER DEPARTMENT; RATE STRUCTURE.

1. Each user shall pay for the services provided by the City of Lyons based on his use of the treatment works as determined by water meter(s) acceptable to the City of Lyons.

2. For residential contributors, monthly user charges will be based on average monthly water usage during the months of January, February and March. If a residential contributor has not established a January, February and March average, his monthly user charge shall be the median charge of all other residential contributors.

   For industrial and commercial contributors, user charges shall be based on water used during the current month. If a commercial or industrial contributor has a consumptive use of water, or in some other manner uses water which is not returned to the waste-water collection system, the user charge for that contributor may be based on a wastewater meter(s) or separate water meter(s), installed and maintained at the contributor's expense, and in a manner acceptable to the City of Lyons.

3. The minimum charge per month shall be $ 19.00. In addition, each contributor shall pay a user charge rate for operation and maintenance; including replacement of $ 2.50 per 1000 gallons of water as determined in the preceding paragraph.
4. For those contributors who contribute wastewater, the strength of which is greater than normal domestic sewage, a surcharge for operation and maintenance, including replacement, will be determined by City staff and approved by the City Council at such time as the need arises.

5. Rates shall not be unreasonably preferential or discriminatory and shall be reasonably consistent in application to a class of customers and to a rate area. Rates negotiated under Subsection 3 of this Section shall not be considered discriminatory. 2. No utility shall, as to rates or service, make or grant any unreasonable preference or advantage to any person, or subject any person to any unreasonable prejudice or disadvantage. 3. A utility may negotiate price and other contract terms with customers whose natural gas requirements exceed fifty thousand cubic feet per day. (Ref. 19-4604 RS Neb.)

§3-1204 NATURAL GAS; RATE SCHEDULES. A utility shall provide to each Municipality it serves, for informational purposes, copies of rate schedules for all rates charged customers and the requirements for service under such schedules within the Municipality. The schedules shall also show the natural gas supply costs and natural gas supply cost adjustments included in the total end rate. (Ref. 19-4605 RS Neb.)

§3-1205 NATURAL GAS; RATE AREA; NOTICE. 1. Except as provided in Subsection 5 of this Section, each utility providing service to customers within a Municipality in this State which intends to include a Municipality within a rate area shall file notice of proposed area boundaries with the office of the Clerk of each affected Municipality. There shall be no filing fee charged for filing the notice. The notice shall include an explanation of how the boundaries of the rate area were determined and a map showing the boundaries of the rate area. Each time a new rate area is established or the boundaries of rate area are changed, all Municipalities in the rate area shall receive notice.
2. A Municipality shall have sixty (60) days after the notice of proposed area boundaries is filed to accept or reject its inclusion within the rate area. Failure of the Municipality to accept or reject its inclusion within the boundaries of the proposed rate area, within the sixty-day (60) period, shall be deemed acceptance. Rejection of the boundaries may be appealed by the utility to the District Court. The court shall determine the reasonableness of the inclusion of the Municipality within the rate area or the reasonableness of the boundaries. If more than one (1) Municipality within a rate area rejects the boundaries, all appeals by the utility shall be joined in a single action; except upon good cause shown by a Municipality to have its rejection heard separately. The court may accept or reject the boundaries but may not draft boundaries of its own.

3. After a rate area has been accepted, (a) all rate filings shall be initiated simultaneously in each Municipality within the rate area and (b) area rates shall be deemed appropriate for each Municipality within the rate area.

4. If area rates are applied to Municipalities in a rate area which do not have uniform rates for customers on the effective date of this Article, the rates in each Municipality shall be adjusted in a manner which equalizes the rates in all Municipalities in the rate area. Such equalization of rates shall be established by January 1, 1992, or in the first rate case filed after such date by the utility under Section 3-1309 of this Article.

5. Any utility proposing to increase rates on any area wide basis within ninety (90) days of the effective date of this Article shall be permitted to make a rate filing based on proposed area boundaries before a final determination of area boundaries is made as provided in this Section. The requirements of this Article shall be complied with fully, except that the time periods provided for proposed rate area boundary determinations in this Section and the time periods provided for area rate filing shall run concurrently and not consecutively. In the event that the rate area boundaries are ultimately determined to be other than those that formed the basis for the rate filing, the Municipality may request that an amended rate filing based on the final rate area boundaries be provided. In no event shall the filing of the notice of proposed area boundaries provided for in Subsection 1 of this Section be made later than the date of filing of the rate filing. Nothing in this Subsection shall suspend the time periods provided for in Section 3-1306 of this Article from the date of the rate filing. Rate filings under this Subsection shall not be subject to Section 3-1307 of this Article, except that a utility shall provide as much prior notice of a proposed rate filing as it reasonably can. (Ref. 19-4606 RS Neb.)

§3-1206 NATURAL GAS; INTERIM RATES. 1. No utility shall impose, charge, or collect any rate upon its customers until such time as any proposed rate has been finally determined; except that a utility shall have the right to collect interim rates, subject to refund, if the Municipality has not taken final action to allow the rate increase within ninety (90) countable days of the date of filing for the increase. The rates requested in the rate filing shall become final and no longer subject to refund if the Municipality has
not taken final action within one hundred eighty (180) countable days of the date of filing.

2. If the utility takes timely action to initiate judicial review of the rates adopted by a Municipality as provided in Section 3-1315 of this Article, the utility shall be permitted to continue to collect interim rates from the date the rates are adopted by the Municipality until a rate ordinance adopted by the Municipality is affirmed by the district court or accepted by the utility, subject to refund as provided in this Section.

3. Upon final order of the district court when no further appeal to the Supreme Court is pursued, or upon acceptance by the utility of a lower rate than that being collected, a utility shall, within sixty (60) days of such final order or acceptance, refund the difference between the rate found proper or agreed to and the rate collected, plus interest on such amount as provided in Subsection 4 of this Section.

4. Any amounts refunded pursuant to this Section shall bear interest fixed at a rate equal to one and one half percentage points above the rate calculated pursuant to Section 45-103 RS Neb., in effect on the date of final determination of the rates by the Municipality.

5. Upon final determination of rates following the exhaustion of all appeals, the utility shall be permitted to recover the amount of revenue which would have been produced had the finally determined rates been in effect throughout the period following the decision by the district court until the final rates were adopted by the Municipality. In the event that the revenue actually collected by the utility through interim rates is less than that which would have been collected, had the final rates been effective throughout such period, the utility shall be permitted to recover the deficiency plus interest at the rate provided in this Section through a surcharge on customer billings over a reasonable period not to exceed twelve (12) months. In the event that the revenue actually collected by the utility through interim rates exceeds that which would have been collected had the final rates been effective throughout such period, the utility shall refund the excess with interest as provided in this Section. (Ref. 19-4607 RS Neb.)

§3-1207 NATURAL GAS; FILING; NOTICE. The utility shall notify the Municipality of its intent to change the rates charged to customers in the Municipality under the provisions of this Article by filing a notice of proposed filing with the office of the Clerk of the Municipality at least sixty (60) days prior to the date of filing of any request for change. (Ref. 19-4608 RS Neb.)

§3-1208 NATURAL GAS; SUPPLY-COST-ADJUSTMENT; REVIEW. 1. A utility shall be permitted to file and implement natural gas supply-cost-adjustment rate schedules which provide for adjustment and collection of rates to reflect changes in natural gas supply costs for natural gas sold in the Municipality.

2. The Municipality may review natural gas supply-cost-adjustment rate schedules. The Municipality shall initiate such review by resolution of the Governing Body and shall provide a copy of the resolution to the utility at least thirty (30) days prior to the hearing on the issue. The Municipality may request and the utility shall
provide all documents and work papers supporting the actually purchased natural gas adjustment amounts charged customers. The Municipality shall give the utility at least thirty (30) days' prior notice of the time and place of the hearing and a copy of the proposed findings of fact. If, after review and hearing, the Municipality concludes that the utility is charging more than the amount allowed by the natural gas supply-cost-adjustment rate schedule, the Municipality shall order the utility to refund excess amounts collected from customers plus interest at the rate provided for in Section 3-1305 of this Article. The utility may initiate judicial review of such an order by a Municipality, and if it does so, the order of the Municipality shall not take effect during the pendency of such review. The provisions of Subsection 5 of Section 3-1306 of this Article shall be applicable to this Section.

3. Any refund, including interest thereon if any, received by the utility with respect to natural gas purchased under a Federal Energy Regulatory Commission natural gas tariff at the border station of a Municipality related to increased rates paid by the utility, subject to refund and applicable to natural gas purchased for resale within the Municipality, shall be passed on to presently served customers by an appropriate adjustment shown as a credit on subsequent bills during a period selected by the utility not to exceed twelve (12) months or by a cash refund at the option of the utility. Refunds unpaid after sixty (60) days from the date of receipt by the utility shall bear interest at the rate set in Section 45-103 RS Neb.

4. Nothing contained in this Section shall change or modify existing natural gas supply-cost-adjustment rate provisions in an ordinance or franchise agreement without the review specified in Subsection 2 of this Section. The Municipality may initiate an action to change the purchased natural gas supply-cost-adjustment rate schedules under Section 3-1317 of this Article. (Ref. 19-4609 RS Neb.)

§3-1209 NATURAL GAS; RATE FILING; FEE; APPEAL. 1. If a utility desires to change its rates for natural gas service within a Municipality, other than to reflect an adjustment for natural gas supply costs, the utility shall present to the Municipality copies of present and proposed rate schedules and information supporting the proposed rates for natural gas service within the Municipality as required by Section 3-1310 of this Article.

2. The Municipality may charge and collect a filing fee for a rate filing. Such fee shall not exceed: For a City of the Second Class, three hundred ($300.00) dollars.

3. Within forty-five (45) days after the date of filing, a Municipality may reject a rate filing only on the grounds that the information required by Section 3-1310 of this Article has not been filed with the Municipality. The utility shall be given at least seven (7) days' prior written notice of any meeting to consider rejection of the utility's rate filing. Rejection shall be made by resolution of the Municipality and shall state the reasons upon which the rejection is based. In the event of any such rejection, a copy of the written resolution shall be delivered to the utility within seven (7) days after final action by the Municipality. After receipt of the resolution, the utility shall have fifteen (15) days to remedy the deficiencies stated in such resolution, and the time periods
under Section 3-1306 of this Article shall not be suspended during such fifteen (15) day period. If the Municipality has not received the information to cure the deficiencies within the fifteen (15) day period, or within such additional period of time as may be agreed to by the utility and the Municipality, the filing shall be deemed to be rejected and the utility shall be required to initiate a new rate filing.

4. The utility may appeal from the decision of the Municipality rejecting a rate filing. The appeal shall be to the district court.

5. If a rate filing is rejected and the rejection is appealed, the utility may place the interim rates into effect pursuant to the time periods specified in Section 3-1306 of this Article, subject to refund, pending district court determination. If the utility appeals the rejection of the filing, and if the court rules that the rejection was unreasonable, the times specified in Section 3-1306 of this Article shall run from the date of filing. (Ref. 19-4610 RS Neb.)

§3-1210 NATURAL GAS; RATE FILING; INFORMATION REQUIRED. When making a rate filing, the utility shall provide to the Municipality three (3) copies of the most recent annual report to the stockholder, and three (3) copies of the following information, verified by a statement under oath by an officer of the utility:

1. A description of the base year and test year;

2. A financial summary showing aggregate amounts for rate base, operating revenue, operating expenses, and rate of return for the base year and test year:
   a. Using natural gas rates currently in effect; and
   b. Using proposed natural gas rates.

3. Except as provided in Subsection 2 of Section 3-1312 of this Article, rate-base schedules showing beginning and ending balances for the base year and test year of:
   a. Utility plant and accumulated depreciation and amortization showing the balances by functional account totals;
   b. Working capital, showing the manner in which it is calculated;
   c. Other rate-base components; and
   d. Allocated rate-base components showing the manner in which the components are calculated.

4. Operating expense schedules for the base year and test year;

5. Rate-of-return and cost-of-capital schedules showing:

6. Operating revenue schedules showing:
   a. Number and classification of customers, volume of sales, and operating revenue by customer classes for the base year on an unadjusted basis; and
b. Number and classification of customers, volume of sales, and operating revenue by customer classes for the base year on a normalized basis:

(i) Using current rates; and
(ii) Using proposed rates. (Ref. 19-4611 RS Neb.)

§3-1211 NATURAL GAS; COST OF SERVICE; DETERMINATION. 1. The Municipality, in the exercise of its power under this Article to determine just and reasonable rates for public utilities, shall give due consideration to the public need for adequate, efficient, and reasonable natural gas service and to the need of the utility for revenue sufficient to enable it to meet the cost of furnishing the service; including adequate provisions for depreciation of its utility property used and useful in rendering service to the public, and to earn a fair and reasonable return upon the investment in such property.

2. Cost of service shall include operating expenses and a fair and reasonable return on rate base, less appropriate credits.

3. In determining a fair and reasonable return on the rate base of a utility, a rate of return percentage shall be employed that is representative of the utility's weighted average cost of capital, including but not limited to, long-term debt, preferred stock, and common equity capital.

4. The rate base of the utility shall consist of the utility's property, used and useful in providing utility service, including the applicable investment in utility plant, less accumulated depreciation and amortization allowance for working capital, such other items as may be reasonably included, and reasonable allocations of common property, less such investment as may be reasonably attributed to other than investor-supplied capital, unless such deduction is otherwise prohibited by law.

5. Operating expenses shall consist of expenses prudently incurred to provide natural gas service, including a reasonable allocation of common expenses.

6. In determining the cost of service, the Municipality shall give effect to all costs and allocations upstream of the town border station of the utility as reflected in the rate schedules approved by the Federal Energy Regulatory Commission or its successor. (Ref. 19-4612 RS Neb.)

§3-1212 NATURAL GAS; BASE YEAR; REJECTION. 1. For utilities using a base year adjusted for known and measurable changes, the utility shall provide, at the time of filing, explanations of the adjustments used to arrive at known and measurable changes. For utilities using a projected test year, the utility shall provide, at the time of filing, the assumptions underlying its projected test year.

2. A Municipality may not reject a utility's rate filing for failing to provide beginning balances for the rate base of the base year and test year under Subdivision 3 of Section 3-1310 of this Article; if the utility states at the time of filing that the rate base which it proposes to use for ratemaking purposes properly matches the number of
§3-1213 NATURAL GAS; SUPPLEMENTAL INFORMATION. 1. After a rate filing has been filed with a Municipality, the Municipality may request supplemental information from the utility relevant to the rate filing. As used in this Section, relevant or relevance shall relate only to the limitations on information requests that are authorized by this Section. Relevant supplemental information shall relate to factors involved in setting appropriate rates. The utility shall not be required to perform analyses or analytical studies of information in responding to requests for supplemental information. Historical data more than one (1) calendar year older than the date of the last general rate filing shall be presumed to be irrelevant, except to the extent that such data was utilized by the utility in the rate filing. Requests for data related to the management, operations, and profitability of affiliated businesses or operations of the utility shall be presumed irrelevant; except to the extent such requests relate to the question of whether the Municipal customer is subsidizing the cost of the affiliate. Data from any report or records, or data required by the Federal Energy Regulatory Commission to be kept by the utility are presumed to be relevant. Any records of the utility used in filings or in the preparation of filings to the Federal Energy Regulatory Commission shall be open for inspection by the Municipality or its agents at the utility's principal place of business during regular business hours.

2. All supplemental information requests shall be made as soon as reasonably possible after the filing. The utility shall respond completely and faithfully to any relevant request for supplemental information, and shall make a good faith effort to respond within twenty (20) days of receipt of such requests. Except as provided in Subsection 3 of this Section, failure to so respond shall suspend the running of the one hundred eighty (180) day time period provided for in Section 3-1306 of this Article until the supplemental information is provided. Such suspension shall not affect the calculation of time for the imposition of interim rates.

3. Request for supplemental information made by a Municipality shall be subject to appeal to the district court. The court shall review the request and enter an order requiring the utility to respond or rejecting the request based on the standards set forth in this Section. Any appeal from a supplemental information request shall suspend the running of the one hundred eighty (180) day time period provided for in Section 3-1306 of this Article during the pendency of such appeal, unless the Court rules that the request was irrelevant. Such suspension shall not affect the calculation of the time for the imposition of interim rates. (Ref. 19-4614 RS Neb.)

§3-1214 NATURAL GAS; RATE INCREASE; NOTICE TO PUBLIC. Notice of filings for any rate increase under this Article shall be given within thirty (30) days of filing by publication by placing a notice to the public of the proposed change in a newspaper having general circulation in the Municipality, except that a utility may provide notice to the public by mailing such notice by United States mail, postage prepaid, to the customers, sales volume, expenses, and any other relevant factors and provides supporting explanations and data. (Ref. 19-4613 RS Neb.)
billing address of each directly affected customer, or by including the notice in such customer's bill in a conspicuous form. An affidavit signed by an official of a utility and describing the method of publication of the notice shall be filed with the office of the Clerk of the Municipality. The notice shall contain:

1. The name and address of the utility;
2. The dollar amount of the increase as it pertains to the typical residential customer;
3. The percentage amount of the increase; and
4. The name and address of the Clerk of the Municipality. (Ref. 19-4615 RS Neb.)

§3-1215 NATURAL GAS; REPORT; REBUTTAL; HEARING; JUDICIAL REVIEW.

1. A report specifying the reasons supporting any action recommended to the Municipality by the Municipal staff or any agent or employee employed by or on behalf of the Municipality to assist it in rate regulation shall be provided to the Municipality and the utility within one hundred twenty (120) countable days of the date of the rate filing. Relevant information requests regarding the report may be made by the utility to the Municipality and shall be responded to as soon as reasonably possible prior to the date for the ruing of the rebuttal.

2. Within seven (7) countable days after receipt of the report, the utility and the Municipality identified in Section 3-1316 of this Article may mutually agree to discuss resolution of the rate filing issues, and may mutually agree to suspend the date of final action and time periods set forth in this Article for a period not to exceed thirty (30) days.

3. Within fourteen (14) countable days after receipt of the report, the utility shall file its rebuttal. Relevant information requests regarding the rebuttal may be made by the Municipality to the utility and shall be responded to as soon as reasonably possible prior to the area rate hearing provided for in this Section.

4. No sooner than seven (7) days after the utility files its rebuttal, an area rate hearing shall be held in the Municipality having the largest number of customers in the rate area. Such hearing shall be conducted by a Hearing Officer appointed by the Municipality identified in Section 3-1316 of this Article. Such Hearing Officer shall have experience in the conduct of hearings so as to insure the fair, impartial, and expeditious conduct of the proceedings and the creation of a record of the proceedings. The utility shall be given written notice of such rate hearing and the name of the Hearing Officer by the end of the one hundred twenty-eighth (128th) countable day after the date of filing. The Municipalities and the utility shall be granted the opportunity at such hearing to call witnesses, present evidence, cross-examine witnesses, and argue the evidence. Prior to such hearing, the Hearing Officer shall establish procedures for the conduct of the hearing to comply with this provision. The utility shall present as evidence at the hearing all the information which it desires to have considered by the Municipality in its consideration of the rates to be adopted. Following the hearing, the utility and the Municipalities shall provide to the Hearing Officer their proposed
findings of fact and conclusions of law. A Certified Court Reporter shall be present at the hearing and shall prepare a transcript of the proceedings.

5. The official record of the hearing shall consist of the rate filing, all reports, all evidence presented by the utility and the Municipalities, all documents and information presented at the hearing, the transcript of the proceedings, and the proposed findings of fact and conclusions of law presented to the Hearing Officer by the Municipalities and the utility. A copy of the official record shall be transmitted by the Hearing Officer to each Municipality in the rate area.

6. Following the hearing and within one hundred eighty (180) countable days of the date of filing, each Municipality within the rate area shall take final action on the rate filing by adopting findings of fact and conclusions of law and a rate ordinance based on such findings and conclusions. If the Municipality does not take action within that one hundred eighty (180) countable day period, the rates filed by the utility in its rate filing shall become final and no longer subject to refund. Notwithstanding any other provisions of State law or any local ordinance, the adoption of a rate ordinance shall require no more than a vote of a majority of the elected members of any Governing Body of a Municipality made at one (1) public meeting after compliance with public notice requirements and a public hearing on the proposed ordinance.

7. Within thirty (30) days of the date of final action by the Municipalities within a rate area, a utility may initiate proceedings for judicial review of the decision of any Municipality in the rate area to the district court. At the time the utility initiates action for judicial review, it shall join in such action as parties all Municipalities in the rate area whose actions are being challenged.

8. In no event shall the district court render a decision upon a judicial review of Municipal action later than one hundred eighty (180) days after the filing of the action.

9. The utility shall, within thirty (30) days of the date of final action, unless it takes timely action to initiate judicial review, implement the rates established by the action of the Municipality and shall, within sixty (60) days of such action, make refunds, if any, with interest as provided in Section 3-1306 of this Article. (Ref. 19-4616 RS Neb.)

§3-1216 NATURAL GAS; LOAN FUND; APPLICANTS. 1. The Municipal Natural Gas Regulation Revolving Loan Fund shall be used to make loans to Municipalities for rate regulation and to pay the costs of administration. The fund shall consist of money appropriated from the Nebraska Energy Resource Fund and money from repayment of loans. The fund shall be administered by the Policy Research Office which shall adopt and promulgate rules and regulations to carry out this Subsection. The rules and regulations shall include:

a. Loan application procedures and forms; and
b. Fund-use monitoring and quarterly accounting of fund use.

Applicants for a loan from the fund shall provide a budget statement which specifies the proposed use of the loan proceeds. Such proceeds may only be used for the costs and expenses incurred by the Municipality to analyze rate filings and establish area
wide rates, and to finance litigation costs of any appeals. Such costs and expenses may include the cost of rate consultants, attorneys, hearing officers, preparation of transcripts, and hearing records provided for by this Article, expert witnesses, and any other necessary costs related to the conduct and administration of the hearing provided for in Subsection 4 of Section 3-1315 of this Article. One (1) loan may be made under this Subsection to each rate area, and such loan shall be made to the applicant representing the largest number of customers. All loans made under this Subsection shall be paid by the utility to the Policy Research Office within thirty (30) days of being billed by the office. The utility may recover the amount paid on a loan through a special surcharge on customers which may be billed on the monthly statements for up to a twelve (12) month period, to be shown on the statements as a charge for rate regulation expense.

2. The Municipal Natural Gas Regulation Revolving Loan Fund shall be audited as part of the regular audit of the Policy Research Office budget and copies of the audit shall be available to all Municipalities and any utility supplying natural gas in this State.

3. Any money in the Municipal Natural Gas Regulation Revolving Loan Fund available for investment shall be invested by the State Investment Officer pursuant to Sections 72-1237 to 72-1269 RS Neb. If the fund balance exceeds four hundred thousand ($400,000.00) dollars, the income on the money in the fund shall be credited to the permanent school fund until the balance of the Municipal Natural Gas Regulation Revolving Loan Fund falls below such amount.

4. A Municipality which receives a loan under this Section shall be responsible to provide for the opportunity for all other Municipalities to participate in all rate area activities. Such Municipality shall not exclude any other Municipality in the rate area from the information or benefits accruing from the use of the loan funds. (Ref. 19-4617 RS Neb.)

§3-1217 NATURAL GAS; REVIEW AND ADJUSTMENT. 1. Once in any thirty-six (36) month period, one (1) or more Municipalities in each rate area may initiate a proceeding for a review and possible adjustment in rates to conform such rates to the standards of Section 3-1311 of this Article by the Introduction of a resolution for such purpose. The Municipality shall provide to the utility seven (7) days' prior written notice of the meeting at which such resolution is to be considered and a copy of the proposed resolution. Following adoption of the resolution, the Municipal Clerk shall send a copy of the resolution by certified mail to the utility. The Municipality may request the Information required by Section 3-1310 of this Article to be provided by the utility within one hundred twenty (120) days of the receipt of the notice unless otherwise agreed. Following filing of the information required In Section 3-1310 of this Article, the Municipality may make additional requests as provided in Section 3-1313 of this Article. The utility shall be provided with a copy of any reports and analyses prepared for the Municipality in its consideration of a rate adjustment. To the fullest extent possible, the general procedures provided for in Subsection 1 to 6 of Section 3-1315 of this Article shall be followed by the Municipality and the utility; except that
calculations of time periods shall be from the date on which the Municipality receives the information specified in Section 3-1310 of this Article and not from the date of filing. Nothing in this Subsection shall require the participation in the proceedings of every Municipality in the rate area. During the pendency of all proceedings under this Section, and through the period of judicial review of those proceedings, the rate in effect prior to the time the Municipality adopts the resolution provided for in this Section shall remain in effect. The provisions of Subsection 5 of Section 3-1306 of this Article shall be applicable to this Section.

2. Except as provided in this Article, no Municipality shall be entitled to any filing fees or assessments against the utility when the Municipality initiates a rate adjustment, nor shall the Municipality receive a loan under Section 3-1316 of this Article for such purposes. If the utility initiates judicial review of the decision of a Municipality under this Section and the court upholds the decision of the Municipality, the court may award the Municipality litigation expenses to include attorney's fees, expert witness fees, consultant fees, and such other related expenses as the court finds to be properly related to the judicial review. Any action for judicial review shall be initiated in the district court. If appropriate resolutions are adopted by Municipalities representing seventy (70%) percent or more of the customers in the rate area initiating a proceeding for review and possible adjustment of natural gas rates, the applicant representing the largest number of customers shall be given a loan for such purposes upon the terms of Section 3-1316 of this Article. (Ref. 19-4618 RS Neb.)

§3-1218 NATURAL GAS; CIVIL PROCEDURE. To the extent not inconsistent with the provisions of this Article, the rules of civil procedure and discovery shall apply. Review of the decisions of the district court under the Article shall be by appeal to the Supreme Court. (Ref. 19-4619 RS Neb.)

83-1219 NATURAL GAS; PRIORITY OF ARTICLE. All actions and proceedings under this Article which are heard by the District Court or the Supreme Court shall be expedited for hearing and decision by the appropriate court as soon as the issues and parties are properly before such court. Such proceedings and actions shall be preferred over all other civil cases irrespective of position on the calendar. (Ref. 19-4620 RS Neb.)

§3-1220 NATURAL GAS; RECORDS; ACCURATE. 1. Every utility shall be required to keep and render its books, accounts, papers, and records accurately and truthfully in accordance with the systems of accounts prescribed by the Federal Energy Regulatory Commission or its successor.

2. All accounting information provided by utilities to Municipalities shall be presented in accordance with the system of accounts prescribed by the Federal Energy Regulatory Commission. (Ref. 19-4621 RS Neb.)

§3-1221 NATURAL GAS; CUSTOMERS; RIGHT TO APPEAR AT HEARING. Customers of the utility in a rate area shall have the right to appear, participate and
present testimony at the hearing provided for in Section 3-1315 of this Article, and shall have such evidence considered by the Municipalities in the rate determination. When the interests of any customers are substantially similar, the Hearing Officer may provide that such class of customers join in presentation of the evidence at the hearing so as to expedite the proceedings. Customers who desire to present testimony and participate at the hearing shall follow the requirements for Municipal staff or agents as provided in Subsection 1 of Section 3-1315 of this Article. All customers shall be provided with notice of these rights, which notice shall be provided by the utility in the notice required by Section 3-1314 of this Article. (Ref. 19-4622 RS Neb.)

§3-1222 NATURAL GAS; RETROACTIVE APPLICATION; PROHIBITED. The provisions of this Article shall not be enforced retroactively from the effective date of this Article. Any rate filing made prior to such date shall be governed by the law existing on the date the rate filing was made. (Ref. 19-4623 RS Neb.)

§3-1223 NATURAL GAS REGULATIONS; RATE FILING FEE. The Municipality shall charge and collect a filing fee from Natural Gas Companies for a rating. The fee shall be three hundred ($300.00) dollars. (Ord. No.438. 10/6/87)

§4-101 HEALTH; REGULATIONS. For the purpose of promoting the health and safety of the residents of the Municipality, the Board of Health shall, from time to time, adopt such rules and regulations relative thereto, and shall make such inspections, prescribe such penalties, and make such reports as may be necessary toward that purpose. (Ref. 17-121 RS Neb.)

§4-102 HEALTH; ENFORCEMENT OFFICIAL. The Municipal Police Chief, as the Quarantine Officer, shall be the chief health officer of the Municipality. It shall be his duty to notify the Governing Body and the Board of Health of health nuisances within the Municipality and its zoning jurisdiction. (Ref. 17-121 RS Neb.)
§4-201 NUISANCES; GENERALLY DEFINED. A nuisance consists in doing any unlawful act, or omitting to perform a duty, or suffering or permitting any condition or thing to be or exist which act, omission, condition or thing either:

such acts present an extreme threat to public safety. The cost of sex offender
victimization to these children and society, at large, while incalculable, is
exorbitant.

3) It is the intent of this subchapter to serve the City’s compelling interest
to promote, protect and improve the health, safety and welfare of the citizens of
the City by creating certain areas around locations where children regularly congregate in concentrated numbers, where certain sexual predators cannot reside.

5) “Sex offender” means an individual who has been convicted of a crime listed in Neb. Rev. Stat. §29-4003, and who is required to register as a sex offender pursuant to the Sex Offender Registration Act; and,

6) “Sexual predator” means an individual who is required to register under the Sex Offender Registration Act, who has committed an aggravated offense as defined in Neb. Rev. Stat. §29-4001.01, and who has victimized a person eighteen (18) years of age or younger.

C) Sexual Predator Residency Restrictions; Penalties; Exceptions.

1) Prohibited Location of Residence. It is unlawful for any sexual predator to reside within five hundred (500) feet from a school or child care facility.

2) Measure of Distance. For purposes of determining the minimum distance separation, the distance shall be measured by following a straight line from the outer property line of the residence to the nearest outer boundary line of the school or child care facility.

3) Penalties. A person who violates this section shall be punished as provided in Article 6-401 of this chapter.

4) Exceptions. This section shall not apply to a sexual predator who:

   a) Resides within a prison or correctional or treatment facility operated by the State of Nebraska or a political subdivision thereof;

   b) Established a residence before July 1, 2006, and has not moved from that residence; or,

Chapter 8

PUBLIC WAYS AND PROPERTY

Article 1. Municipal Property

§8-101 DEFINITIONS. The following definitions shall be applied throughout this Chapter. When no definition is specified, the normal dictionary usage of the word shall apply.

SIDEWALK SPACE. The term “sidewalk space,” as used herein, shall mean that portion of a street between curb lines and adjacent property lines.

§8-102 MUNICIPAL PROPERTY; MAINTENANCE AND CONTROL. The Governing Body shall have the care, supervision, and control of all public highways, bridges, streets, alleys, public squares, and commons within the Municipality, and shall cause the same to be kept open and in repair, and free from nuisances. (Ref. 17-567 RS Neb.)

§8-103 SALE AND CONVEYANCE; REAL PROPERTY. (A) Except as provided in division (G) of this section, the power of the city to convey any real property owned by it, including land used for park purposes and public squares, except real property used in the operation of public utilities, shall be exercised by resolution, directing the sale at public auction or by sealed bid of the property and the manner and terms thereof, except that such property shall not be sold at public auction or by sealed bid when:

(1) The property is being sold in compliance with the requirements of federal or state grants or programs;
(2) The property is being conveyed to another public agency; or
(3) The property consists of streets and alleys.

(B) The City Council establish a minimum price for such real property at which bidding shall begin or shall serve as a minimum for a sealed bid.

(C) After the passage of the resolution directing the sale, notice of all proposed sales of property described in division (A) of this section and the terms thereof, shall be published once each week for 3 consecutive weeks in a legal newspaper published in or of general circulation in the city.

(D) (1) If, within 30 days after the third publication of the notice a remonstrance against the sale is signed by registered voters thereof equal in number to 30% of the registered voters of the city voting at the last municipal election held therein, and is filed with the City Council, that property shall not then, nor within 1 year thereafter, be sold. If the date for filing the remonstrance falls upon a Saturday, Sunday, or legal holiday, the signatures shall be collected within the 30-day period, but the filing shall be considered timely if filed or postmarked on or before the next business day.
Upon receipt of the remonstrance, the City Council, with the aid and assistance of the Election Commissioner or County Clerk, shall determine the validity and sufficiency of signatures on the remonstrance. The City Council shall deliver the remonstrance to the Election Commissioner or County Clerk by hand carrier, by use of law enforcement officials, or by certified mail, return receipt requested.

Upon receipt of the remonstrance, the Election Commissioner or County Clerk shall issue to the City Council a written receipt that the remonstrance is in the custody of the Election Commissioner or County Clerk. The Election Commissioner or County Clerk shall compare the signature of each person signing the remonstrance with the voter registration records to determine if each signer was a registered voter on or before the date on which the remonstrance was filed with the City Council. The Election Commissioner or County Clerk shall also compare the signer’s printed name, street and number or voting precinct, and city or post office address with the voter registration records to determine whether the signer was a registered voter. The signature and address shall be presumed to be valid only if the Election Commissioner or County Clerk determines that the printed name, street and number or voting precinct, and city or post office address match the registration records and that the registration was received on or before the date on which the remonstrance was filed with the City Council. The determinations of the Election Commissioner or County Clerk may be rebutted by any credible evidence which the City Council finds sufficient. The express purpose of the comparison of names and addresses with the voter registration records, in addition to helping to determine the validity of the remonstrance, the sufficiency of the remonstrance, and the qualifications of the signer, shall be to prevent fraud, deception, and misrepresentation in the remonstrance process.

Upon completion of the comparison of names and addresses with the voter registration records, the Election Commissioner or County Clerk shall prepare in writing a certification under seal setting forth the name and address of each signer found not to be a registered voter and the signature page number and the line number where the name is found, and if the reason for the invalidity of the signature or address is other than the nonregistration of the signer, the Election Commissioner or County clerk shall set forth the reason for the invalidity of the signature. If the Election Commissioner or County Clerk determines that a signer has affixed his or her signature more than once to the remonstrance and that only 1 person is registered by that name, the Election Commissioner or County Clerk shall prepare in writing a certification under seal setting forth the name of the duplicate signature and shall county only the earliest dated signature.

The Election Commissioner or County Clerk shall certify to the City Council the number of valid signatures necessary to constitute a valid remonstrance. The Election Commissioner or County Clerk shall deliver the
remonstrance and the certifications to the City Council with 40 days after receipt of the remonstrance from the City Council. The delivery shall be by hand carrier, by use of law enforcement officials, or by certified mail, return receipt requested. Not more than 20 signatures on 1 signature page shall be counted.

(6) The City Council shall, within 30 days after the receipt of the remonstrance and certifications from the Election commissioner or County Clerk, hold a public hearing to review the remonstrance and certifications and receive testimony regarding them. The City Council shall, following the hearing, vote on whether or not the remonstrance is valid and shall uphold the remonstrance if sufficient valid signatures have been received.

(E) Real estate now owned or hereafter owned by the city may be conveyed without consideration to the state for state armory sites or, if acquired for state armory sites, shall be conveyed strictly in accordance with the conditions of Neb. RS 18-1001 through 18-1006.

(F) Following passage of the resolution directing a sale, publishing of the notice of the proposed sale, and passing of the 30-dy right-of-remonstrance period, the property shall then be sold. The sale shall be confirmed by passage of an ordinance stating the name of the purchaser and terms of the sale. (Neb. RS 17-503)

(G) Divisions (A) through (F) of this section shall not apply to the sale of real property if the authorizing resolution directs the sale of real property, the total fair market value of which is less than $5,000. Following passage of the resolution directing the sale of the property, notice of the sale shall be posted in 3 prominent places within the city for a period of not less than 7 days prior to the sale of the property. The notice shall give a general description of the property offered for sale and state the terms and conditions of sale. Confirmation of the sale by passage of an ordinance may be required. (Neb. RS 17-503.01)

§8-104 MUNICIPAL PROPERTY; OBSTRUCTIONS. Trees and shrubs, growing upon or near the lot line, or upon public ground, and interfering with the use or construction of any public improvements shall be deemed an obstruction under this Article. Said roots may be removed by the Municipality at the expense of the owner of the property upon which the tree is located should the owner fail or neglect, after notice, to do so. It shall be unlawful for any person, persons, firm, or corporation to obstruct or encumber, by fences, gates, buildings, structures, or otherwise, any of the streets, alleys, or sidewalks. (Ref 17-557.01 RS Neb.)

§8-105 MUNICIPAL PROPERTY; WEEDS. It is hereby the duty of the Building Inspector, or his duly authorized agent, to view and inspect the sidewalk space within the corporate limits for growing weeds during the growing season, and if weeds and worthless vegetation that are noxious, obstruct travel on public ways, or create a fire or health hazard, are found growing thereon, he shall notify the owner or occupant thereof to cut down such weeds as close to the ground as can be practicably done and keep the
weeds cut thereon in like manner during the growing season for weeds. In the event that the owner of any lot or parcel of land within the Municipality is a non-resident of the Municipality or cannot be found therein, the notice may be given to any person having the care, custody, or control of such lot or parcel of land. In the event that there can be found no one within the Municipality to whom notice can be given, it shall be the duty of the Building Inspector or his agent to post a copy of the notice on the premise and then to cut or cause the weeds thereon to be cut as therein provided and report the cost thereof in writing to the Governing Body. The cost shall then be audited and paid by the Municipality, and the amount thereof shall be assessed against the lot or parcel of land as a special tax thereon and shall be collected as are other taxes of the Municipality; or may be recovered by civil suit brought by the Municipality against the owner of the parcel of land. In the event the property owner is a non-resident of the county in which the property lies, the Municipality shall, before levying any special assessment against that property, send a copy of any notice required by law to be published by means of certified mail, return receipt requested to the last known address of the non-resident property owner. The last known address shall be that address listed on the current tax rolls at the time such required notice was first published.

§8-106 MUNICIPAL PROPERTY; ACQUISITION OF PROPERTY; CONSTRUCTION; ELECTIONS, WHEN REQUIRED.  (1) The Municipality is authorized and empowered to (a) purchase, (b) accept by gift or devise, (c) purchase real estate upon which to erect, and (d) erect a building or buildings for an auditorium, fire station, municipal building, or community house for housing municipal enterprises and social and recreation purposes, and other public buildings, and maintain, manage, and operate the same for the benefit of the inhabitants of the Municipality.

**§8-312 STREETS; IMPROVEMENT DISTRICTS; OBJECTIONS.** Whenever the Governing Body deems it necessary to make any improvements allowed by statute which are to be funded by a levy of special assessment on the property especially benefited, the Governing Body shall by ordinance create a paving, graveling, or other improvement district and, after the passage, approval, and publication or posting of such ordinance, shall publish notice of the creation of any such district for six (6) days in a legal newspaper of the Municipality, if a daily newspaper, or for two (2) consecutive weeks if it is a weekly newspaper. If no legal newspaper is published in the Municipality, the publication shall be in a legal newspaper of general circulation in the Municipality. If the owners of the record title representing more than fifty percent (50%) of the front footage of the property directly abutting on the street or alley to be improved file with the Municipal Clerk within twenty (20) days after the first publication of such notice, written objections to the creation of such district, such improvement shall not be made as provided in such ordinance, but such ordinance shall be repealed. If objections are not filed against the district in the time and manner prescribed in this section, the Governing Body shall immediately cause such work to be done or such improvement to be made, shall contract for the work or improvement, and shall levy assessments on the lots and parcels of land abutting on or adjacent to such street or alley especially benefited in such district in proportion to such benefits to pay the cost of such improvement. *(Ref. 17-511 RS Neb.) (Amended by Ord. No. 544, 5/6/97)*
§8-313 STREETS; IMPROVEMENT OF MAIN THOROUGHFARES. The Mayor and City Council shall have the power by a three-fourths (3/4) vote of the Governing Body, to create by ordinance a paving, graving or other improvement district, and to order such work done upon any federal or state highway in the Municipality, or upon a street or route designated by the Mayor and City Council as a main thoroughfare that connects on both ends, to either a federal or state highway or a county road. The Governing Body shall contract therefore and shall have the power to assess, to the extent of special benefits, the costs of such improvements upon the properties found especially benefited thereby. (Ref. 17-512 RS Neb.)

§8-314 STREETS; DRIVEWAY APPROACHES. The Utilities Superintendent may require the owner of property served by a driveway approach, constructed or maintained upon the street right-of-way, to repair or replace any such driveway approach which is cracked, broken, or otherwise deteriorated to the extent that it is causing, or is likely to cause, damage to or interfere with any street structure including pavement or sidewalks.

The Municipal Clerk shall give the property owner notice by registered letter or certified mail, directed to the last-known address of such owner or the agent of such owner, directing the repair or replacement of such driveway approach. If within thirty (30) days of mailing such notice, the property owner fails or neglects to cause such repairs or replacements to be made, the Utilities Superintendent may cause such work to be done and assess the cost upon the property served by such approach. (Ref. 18-1748 RS Neb.)

§8-315 STREETS; VACATING PUBLIC WAYS.

(A) SPECIAL DAMAGES shall mean only those losses or damages or injuries which a property owner suffers that are peculiar or special or unique to his or her property and which result from the City Council vacating a street, avenue, alley, lane, or similar public way. SPECIAL DAMAGES shall not mean those losses or damages or injuries that a property owner suffers that are in common with the rest of the City or public at large, even though those losses or damages or injuries suffered by the property owner are greater in degree than the rest of the City or public at large.

(B) Whenever the City Council decides that it would be in the best interests of the City to vacate a street, avenue, alley, lane, or similar public way, the City Council shall comply with the following procedure:

   (1) Notice. Notice shall be given to all abutting property owners either by first class mail to their last known address or if there is no known address then by publishing the notice in a newspaper that is of general circulation in the City. The content of the notice shall advise the abutting property owners that the City council will consider vacating such street, avenue, alley, lane, or similar public way at its next regular meeting or, if a special meeting is scheduled for such discussion, then the date, time, and place of such meeting.
(2) **Consent; waiver.** The City Council may have all the abutting property owners sign a form stating that they consent to the action being taken by the City Council and waive their right of access. The signing of such form shall have no effect on claims for special damages by the abutting property owners but shall create the presumption that the City Council’s action was proper. If the abutting property owners do not sign the consent/waiver form, the City Council may still proceed with vacating the street, avenue, alley, lane, or similar public way under the authority granted by Neb. RS 17-558 and 17-559.

(3) **Ordinance.** The City Council shall pass an ordinance that includes essentially the following provisions:

(C) The Mayor shall appoint three or five or seven disinterested residents of the City to a special commission to ascertain the amount of special damages that the abutting property owners are entitled to receive and which resulted from the City Council vacating the street, avenue, alley, lane, or similar public way. The appointees of the special commission shall be approved by the City Council. Only special damages shall be awarded to the abutting property owners.

(D) In determining the amount of compensation to award the abutting property owners as special damages, the commission shall use the following rule:

If no difference in value exists, the abutting property owner is entitled to no compensation.

(Ref. 17-558, 17-559 RS Neb.) (Ord. No. 418, 10/7/86)

**§8-316 STREETS; VACATING PUBLIC WAYS; PROCEDURE.** Whenever the Governing Body decides that it would be in the best interests of the Municipality to vacate a street, avenue, alley, lane or similar public way, the Governing Body shall comply with the following procedure:

A. **Notice.** Notice shall be given to all abutting property owners either by First (1st) Class mail to their last known address or if there is no known address then by publishing the notice in a newspaper that is of general circulation in the Municipality. The content of the notice will advise the abutting property owners that the Governing Body will consider vacating such street, avenue, alley, lane or similar public way at their next regular meeting; or if a special meeting is scheduled for such discussion, then the date, time and place of such meeting.
B. **Consent/Waiver.** The Governing Body may have all the abutting property owners sign a form stating that they consent to the action being taken by the Governing Body and waive their right of access. The signing of such form has no effect on claims for special damages, as defined in Section 8-315 by the abutting property owners, but does create the presumption that the Governing Body's action was proper. However, if all the abutting property owners do not sign the consent/waiver form, the Governing Body may still proceed with vacating such street, avenue, alley, lane or similar public way under the authority granted them by Sections 17-558 and 17-559 RRS Neb.

C. **Ordinance.** The Governing Body shall pass an ordinance that shall state essentially the following:

1. A declaration that the action is expedient for the public good or in the best interests of the Municipality;
2. A statement that the Municipality shall have an easement for maintaining all utilities; and
3. A method or procedure for ascertaining special damages to abutting property owners.

D. **Filing.** The Clerk shall file a copy of the ordinance with the County Register of Deeds to ensure that abutting property owners can gain title to their share of the vacated street, avenue, alley, lane or similar public way and so that such land will be drawn to the attention of the County Assessor. (Ref. 17-558, 17-559 RS Neb.) (Ord. No. 419, 10/7/86)

§8-317 **STREETS; CLOSING DESIGNATED PUBLIC WAYS.**

lateral feet of any overhead utility wire, or over or within five (5) lateral feet of any underground water line, sewer line, transmission line or other utility line, wire or main. No street tree shall be planted within ten (10) feet of any fireplug.

§8-412 TREES; CARE AND REMOVAL. The City shall have the right to plant, prune, maintain and remove street trees or park trees within the lines of all streets, alleys, avenues, lanes, squares, and public grounds as may be necessary to insure public safety or to preserve or enhance the symmetry and beauty of such public grounds. The City Council may remove or cause or order to be removed any street tree or park tree or part thereof which is in an unsafe condition or which, by reason of its nature, is injurious to sewers, electric power lines, gas lines, water lines or other public improvements, or is infected with any injurious fungus, insect or other pest. No person or property owner shall remove any live street tree or park tree for any reason without written permission of the City Council. Utility personnel may remove trees or parts thereof which are injurious to their utility lines at their expense upon obtaining permission for such removal or trimming from the City Council. This section does not prohibit the planting of street trees by abutting property owners providing that the selection and location of said trees is in accordance with Sections 8-408 through 8-411.

§8-413 TREES; TOPPING. It shall be unlawful as a normal practice for any person, firm, or City department to top any street tree, park tree or other tree on public property. Topping is defined as the severe cutting back of limbs to stubs larger than three (3") inches in diameter within the tree's crown to such a degree as to remove the normal canopy and disfigure the tree. Trees severely damaged by storms or other causes, or certain trees under utility wires or other obstructions where other pruning practices are impractical may be exempted from this Article at the determination of the City Council.

§8-414 TREES; OBSTRUCTIONS; PRUNING, REMOVAL. All trees and shrubs within the City shall be pruned or removed when such trees or shrubs obstruct the light from any street lamp, obstruct the visibility of any traffic control device or sign, obstruct the passage of pedestrians on sidewalks, or obstruct the view of any street or alley intersection. All shrubs and hedges defined as street trees in this Article shall be kept trimmed by the abutting property owner at least two (2') feet back from all curbs, sidewalks, driveways or alleys; and the same shall at all times be kept trimmed to a height not greater than thirty (30') inches above the top of the curb unless the City Council, for other than corner lots, determines that a greater height would not constitute a hazard to pedestrian or vehicular traffic.

The City Council shall have the power and authority to prune or remove, or order to prune or remove, any such trees or shrubs on private property . The City
Council shall notify in writing the owners of such trees or shrubs. Pruning or removal shall be done by said owners at their own expense within sixty (60) days after the date of notification. In the event of a failure of owners to comply with said notice, the City shall have the authority to prune or remove said trees or shrubs and charge the cost of said pruning or removal on the owner's property tax notice.

§8-415 TREES; NUISANCE; DEAD OR DISEASED TREES.  (1) It is hereby declared a nuisance for a property owner to permit, allow, or maintain any dead or diseased trees within the right-of-way of streets within the corporate limits of the Municipality.

For the purpose of carrying out the provisions of this section, the Municipal Police shall have the authority to enter upon private property to inspect the trees thereon.

(3) Notice to abate and remove such nuisance and notice of the right to a hearing and the manner in which it may be requested shall be given to each owner or owner's duly authorized agent and to the occupant, if any, by personal service or certified mail. Within thirty (30) days after the receipt of such notice, if the owner or occupant of the lot or piece of ground does not request a hearing or fails to comply with the order to abate and remove the nuisance, the Municipality may have such work done and may levy and assess all or any portion of the costs and expenses of the work upon the lot or piece of ground so benefited in the same manner as other special taxes for improvements are levied or assessed. (Ref. 17-555, 18-1720, 28-1321 RS Neb.) (Amended by Ord. No. 549, 9/2/97)

§8-416 TREES; WORK ORDERED OR DONE BY THE CITY. §8-417 TREES; ABUSE OR MUTILATION. Unless, specifically authorized by the City Council, no person shall intentionally damage, cut, carve, transplant or remove any street tree or park tree; attach any rope, wire, nails, advertising posters or other contrivance to such trees; allow any gaseous liquid, or solid substance which is harmful to such trees to come in contact with them; or set fire or permit any fire to burn when such fire or the heat thereof will injure any portion of such trees. The preceding restrictions do not apply to proper planting, staking and guying practices.

§8-418 TREES; PROTECTION. All street trees or park trees near any excavation or construction of any building, structure or street work, shall be guarded with a substantial fence, frame or box not less than four (4') feet high and eight (8') feet square (8' x 8' x 4') and all construction materials, soil or other debris shall be kept outside the barrier.

§8-421 TREES; LICENSE AND BOND. It shall be unlawful for any person or firm to engage in the business or occupation of pruning, treating, or removing street or park trees within the City without first applying for and procuring a license. The license fee shall be ten ($10.00) dollars annually in advance; provided however that no license shall be required of any public service company or City employee doing such work in the pursuit of his public service endeavors. Before any license shall be issued, each applicant shall first file evidence of possession of liability insurance in the minimum amounts of fifty thousand ($50,000.00) dollars for bodily injury and one hundred thousand ($100,000.00) dollars for property damage indemnifying the City or any person injured or damaged resulting from the pursuit of such endeavors as herein described.

§8-423 TREES; ENFORCEMENT OFFICIAL; RIGHTS; DUTIES. The Utilities Superintendent is charged with enforcement of Sections 8-422 through 8-427 and to that end may enter upon private property at all reasonable hours for purposes of inspecting trees thereon, and may remove such specimens as are required for purposes of analysis
to determine whether or not the same are infected. It shall be unlawful for any person to prevent the Utility Superintendent from entering on private property for purposes of carrying out his duties hereunder, or to interfere with such Utilities Superintendent in the lawful performance of his duties under the provisions of this Article.

§8-424 TREES; NOTICE; REMOVAL; BURNING. If trees on private property are found to be infected or in a dead or dying condition, the Utilities Superintendent shall give to the owner of the premises where the same are situated, written notice of the existence of such disease or of the dead or dying condition of such trees or parts thereof; and require the removal and burning of the same under the direction and supervision of the Utilities Superintendent. Such notice shall also notify the owner of the premises that if such tree is not removed and burned after five (5) days notice by publication or personal service, the City will proceed with the removal and burning of the same, and assess the cost thereof against the property in accordance with the provisions of this Article.

§8-425 TREES; REMOVAL, SERVICE OF NOTICE. Service of notice shall be by personal service where the owner of said premises is a resident of the City. When the owner is a nonresident, said notice shall be served by registered mail addressed to such owner at his last known address, as shown on the records in the office of the County Assessor of the County of Burt, and by publication at least one (1) time in a newspaper of general circulation in the City.

§8-426 TREES; ON PRIVATE LANDS. After due notice has been served upon the owner of the said premises, it shall thereupon become his duty to cause such tree to be removed and burned under the direction and supervision of the Utilities Superintendent. In lieu thereof, the person charged with such removal and burning may enter into an agreement with the City that such work be accomplished by the City at his expense; and the expense and any interest shall be, and are hereby declared to be, a lien upon such property whereon such tree was situated from the time the same becomes due until paid. The agreement shall be in such form as the City Attorney may prescribe, to be filed in the office of the County Clerk of Burt County, Nebraska. If the owner fails, neglects, or refuses to remove or burn such tree, the Utilities Superintendent may, five (5) days after notice is served, enter upon such private property and proceed with the removal and burning of the same; and the cost thereof shall be assessed against the real estate in the manner hereinafter provided. The Utilities Superintendent shall, not later than September fifteenth (15th) of each year, report such costs to the City Council, whereupon the City Council shall, at a regular meeting by resolution, assess such cost, together with any assessment expenses against such real estate: provided that notice of the time of such meeting of the City Council shall be given in the manner provided by law. When such assessment has been made, it shall be certified by the Clerk and delivered to the County Treasurer and shall be collected in the manner provided by law for the collection of general real estate taxes. Such assessment shall be a lien upon such
real estate from the date of such assessment and shall become delinquent in the same manner as general real estate taxes under the Statutes of the State of Nebraska relating thereto, and shall draw interest after delinquency at the rate of fourteen (14%) per cent per annum from said date until paid. It shall be the duty of the County Treasurer to collect said tax in the same manner and at the same time as general taxes, and the items of said tax shall be receipted for on the same receipt blanks as general real estate taxes.

§8-427 TREES; ON PUBLIC LANDS. Infected trees, or trees or parts thereof in a dead or dying condition on public lands, shall be removed and burned by the Utilities Superintendent within five (5) days of his discovery that such condition exists, and the cost thereof shall be borne by the City without being assessed to the abutting property owner.

§8-428 CITY ELECTRICAL SYSTEM; TRIMMING AND REMOVING TREES. Any person desiring to cut or remove trees or branches thereof in close proximity to the lines of the City Electrical System shall, before doing the said work, give reasonable written notice to the Utilities Superintendent and shall follow any and all rules and regulations which he may prescribe for doing such work. It shall be unlawful for any person felling or removing such trees or branches to disrupt or damage the lines without first giving proper notice and receiving permission in writing to do so. Any person felling or removing trees or branches which damage any property of the City, including the electrical lines, will be responsible for said damages.

Whenever it becomes necessary to protect the lines or property of the City Electrical System, the City Board shall have the power to order the cutting and removal of any overhanging branches or limbs of trees so that the lines will be free and safe with the following exceptions:

1. Trees interfering with service wires (wires from City poles to the customer's house or building) will not be trimmed or removed. Arrangements can be made to have the service wire temporarily removed to permit the property owner or contractor to trim or remove the tree. If any person wants their electric service temporarily disconnected to trim or remove a tree, the Utilities Superintendent must be contacted in advance to ensure the availability of City crew at the desired time. The service is not available on Sundays or holidays, and may be delayed due to emergency work.

2. Trees near street light and yard light wires will not be trimmed by the City under normal circumstances. The City will not trim trees near street lights or yard lights to improve illumination.

If the City requests that a tree be trimmed or removed, all wood cut from the tree will be removed from the property by the City. The City will not remove stumps. The property owner may keep any portion of the wood desired, however, City crews will not cut wood to uniform length or stack the wood. Wood from fallen trees or wood that has fallen from standing trees is also the responsibility of the property owner. The City will remove broken branches still
attached to the tree that are interfering with the wires. The City will not haul away the branches. The wood will be cut only as required to make repairs to the power lines.

Wood that is not wanted by property owners will be made available to the public on the following terms:

1. Persons who want wood on private property must make arrangements with the property owner.
2. Tree crews cannot cut wood to uniform size or any smaller than necessary for normal handling.
3. Tree crews cannot load wood into private vehicles or trailers.
4. Crews will not stack or separate wood.
5. Wood and wood chips may be dumped on private or public property with approval of the property owner, only when a savings in crew man hours and equipment hours is evident.

The City will assist property owners and/or their commercial contractors, at their request, with the trimming and removal of trees that are near city electric wires. When a tree trimming request is received, a City representative will make an inspection and explain to the property owner or contractor what the City can do to assist them. City assistance will include:

1. The temporary rerouting, de-energizing or removing of electric wires that may be hazardous to workmen or that may be damaged by falling tree wood. The City will coordinate with the property owner or contractor the time that the work can be done; and/or,
2. Trimming the tree so that it can be safely removed or trimmed by the property owner or contractor without falling onto the electric wires. All wood cut from the tree will be left on the property owner's premises. The City is not responsible for cutting wood to size or piling brush. The customer or contractor will be responsible for removing brush that is blocking sidewalks and driveways.
§8-50l VIOLATION; PENALTY.

(A) Any person, or any person’s agent or servant, who violates any of the provisions of this municipal code, unless otherwise specifically provided herein, shall be deemed guilty of an offense and upon conviction thereof shall be fined in any sum not exceeding $500.00. A new violation shall be deemed to have been committed every twenty-four (24) hours of such failure to comply.

(B) (1) Whenever a nuisance exists as defined in this code, the Municipality may proceed by a suit in equity to enjoin, abate, and remove the same in the manner provided by law.

(2) Whenever, in any action, it is established that a nuisance exists, the court may, together with the fine or penalty imposed, enter an order of abatement as a part of the judgment in the case. (Ref. Neb. RS 17-505, 18-1720)

A registered professional engineer or architect shall certify that the standards of this subsection are satisfied. Such certification shall be provided to the local enforcement official.

3. Required for all new construction and substantial improvements -That fully enclosed areas below the lowest floor that are subject to flooding shall be designed to automatically equalize hydrostatic flood forces on exterior walls by allowing for the entry and exit of floodwaters. F. Assure that all manufactured homes shall be anchored to resist flotation, collapse, or lateral movement. Manufactured homes must be anchored in accordance with State laws, local building codes and FEMA guidelines. In the event that over-the-top frame ties to ground anchors are used, the following specific requirements (or their equivalent) shall be met:
